GLASS FESTIVAL!

In Elwood, the Glass Festival is a fun time to ride rides, hang out with friends, and eat the fair food that everyone knows and loves. In fact, it is a good lead in to the beginning of school, and acts as a last taste of summertime for all of the students going back to school. This festival brings us together as a community and encourages a sense of unity in our small town.

CHEERLEADING

In our school, the cheerleaders are the queens of pep and spirit. They help to keep the crowd alive and support our players in rain and shine. Without them, Friday night football games and basketball games would just not be the same. They are our leaders when it comes to speaking up and having Panther Pride.

Swim Team

Every year, with unmatched dedication, speed, and endurance, our swim team pours their sweat and tears into becoming the best athletes they can be. Often, throughout the fall and winter months our swimmers can be seen running through the school and doing their intense workouts to build them for the next season. This intensity pays off as they beat record after record, team after team, year after year.

Music In Our School

Music has had a big impact on many of our students lives. We listen to, enjoy, perform, and create music almost every day. It is a powerful influence for good.

"Music brings people together. It creates emotion," says Emma Vehikite, a Junior and trumpet player in the marching band, "When we perform a piece of music, we get to interpret what the composer was feeling and express it to the audience. Music inspires us to look at the world around us differently."

"I love performing," mentions Victoria Kaszuba, a Sophomore marimba player, "I enjoy being in front of the crowd."

As can be seen, music is a huge part of our school's culture and environment. From ISSMA competitions, to choir concerts, to Marching Band, and Alley Cat students all across the community are connected through a common love for music of all types .

The soloists included Brook Kilgore and Devon Robinson. They also performed at Madison County Choral Festival and had their annual Variety Show performance with the band and Concert Choir. Their seniors included Nicole Jones, Elli Ferguson, Libby Ashbaugh, Ali Rudig, Brook Kilgore, Breanna McCord, and Daymon Johnson.

Concert Choir

This year, the Concert Choir did a wonderful job of performing with enthusiasm and heart. With every performance, from Veteran's Day to the Variety Show, the Concert Choir reminded us of the true beauty of song.

Senior Walk

The spring is always a hard time for Seniors. They take their last classes, make their last memories, and eventually have to move on to the bigger and better things their futures hold. The tradition of holding a Senior Walk on the last day of Senior classes is a climax to all these experiences and memories. Emotions run high as beloved friends walk the halls of Elwood High School for the last time.

Students Against Destructive Decisions

SADD or "Students Against Destructive Decisions" is a huge group within our school. It is a student-led organization that advocates healthy choices such as traffic safety and drug abuse avoidance.

SADD also functions at the county level, where student representatives from Elwood and other area schools discuss and apply ideas and activities formed to make our community a better place. As part of the Madison County Chapter of SADD, we are recognized as members of one of the most active SADD Chapter in the nation.

Derek Sims was named a member of the 2015-2016 S.A.D.D. National Student Leadership Council

Tenasha Stephens was named the 2015 SADD Student Of the Year for Indiana S.A.D.D.

Students were able to participate in many team-building and unifying activities during S.A.D.D. orientation, a beginning of the year Kick-off for the SADD organization within the school.

God Saw You

God saw you getting tired, when a cure was not to be.
So he wrapped his arms around you, and whispered, "come to me."
You didn't deserve what you went through, so he gave you rest.
God's garden must be beautiful, he only takes the best.
And when I saw you sleeping, so peaceful and free from pain.
I could not wish you back to suffer that again.

Out in the Fields with God

The Little cares that fretted me,

I lost them yesterday,

Among the fields where love to be,

among the winds at play,

Among the lowing of the herds,

the rustling of the trees,

Among the singing of the birds,

the humming of the bees.

The foolish fears of what might pass,

I cast them all away,

Among the clover scented grass,

among the new-mown hay,

Among the rustling of the corn,

where drowsy poppies nod,

Where ill thoughts die and good are born,

Out in the fields with God.

This has been an amazing year full of ups and downs, victories and defeats, smiles and tears. We hope that you've enjoyed experiencing it all "Through the Eyes of the Panther."

The 2014-2015 Yearbook Staff would like to extend a sincere thank you to the community here in Elwood, Indiana and all of the members therein that have assisted in the construction of this book. We would also like to extend our gratitude toward Walsworth Publishing Company, and our local Walsworth representative, Jared Wojtas. This book quite literally would not exist without their assistance. Last of all, we would like to thank our yearbook adviser and editor-in-chief, Mr. Vernon Bedel. His vital support has guided us through this entire process. We hope that you have enjoyed this book and appreciate the hard work that has gone into its existence.

Sincerely,

The 2014-2015 Yearbook Staff
