Year at a Glance

Frankton has had an incredibly strange year due to many underlying factors. One of the biggest changes that we have had to adjust to is the new faculty including our new principal, Mr. Greg Granger. Mr. Granger has changed some of the ways Frankton operates day-to-day, including our new tradition of first day games instead of the normal monotonous first day.

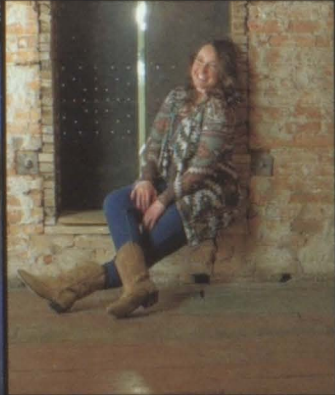

Another change we have had to endure would be the tremendous amount of snow. We have had a record breaking year when it comes to the snow accumulation. We had to miss an entire week of school, rivaling the good old Blizzard of '78 that we hear about every winter. This snow has caused some schedule changes, mainly in the fact that an extra fifteen minutes was added every day to make up three days. Unrelated to the snow, 2nd semester, we added homeroom everyday thus resulting in a shift of our daily schedule.

More changes arose with Homecoming and Prom. For Fall Homecoming, we had the entire school walk in a parade to the football field at the elementary for a cookout and homecoming games. This was a nice tradition to start because it was nice to get out of the school for an afternoon. Prom also brought some changes. For the first time in four years, the prom was moved from the Elwood Opera House to the Methodist Church's "Factory" in Frankton.

The students quickly adapted to these changes. They were not originally in our plans, but they have led to some positive improvements, and ultimately added more to our **Small Town Stories**.

Jansen Jerrell, Haylee Frank and Shania Ray at the FFA Convention

FHS student life: life here is enjoyable! We have had many great memories along our journey. A lot had to do with sports, homecoming, SADD, the Victoria Secret fashion show, National Honor Society, FFA, prom and post prom, the senior walk and graduation, the fake kidnapping of Mr. Granger and Mr. Morehead, starting our school year with a party, our different classes and the inside jokes.

There have been many tears and tons of smiles. Everyday that we've come to the school, we've grown together and stronger.

Along the years we have made friends with strangers and have

become friends with people who we've know all our lives. Sometimes we had many firsts and eventually they became our last. There was lots of drama, as there always is, but we all came out in the end better friends or we grew up.

So in the next days, weeks and years to come, remember the good and the bad times. There's always good in the end. Things are always getting better.

As you move on in your life remember to not take anything for granted. Even little things count! Try to help the people that can't help themselves as you go forward.

Remember once an Eagle always an Eagle!

Every year, the volleyball team has hosted a Breast Cancer Awareness Night and has given the funds to the Breast Cancer Foundation. This year, however, it was a different story. On October 5, Frankton lost one of their own to breast cancer. Staci Ginder was the mother to Matt Ginder, a freshman at Frankton. On October 5th, the volleyball team decked the gym out in pink to honor Staci as well as any other survivor or victim. The team raised \$560.61, and gave it all to Matt and his family.

The varsity team won on senior night against strong rival, Muncie Southside. The team had four seniors this year: Lexi Gray, Carley Cleek, Whitney Turner, and Ashlynn Pryor.

Frankton Christian Church is a nondenominational church patterned after the church of the New Testament whose purpose is to serve Christ in this community. We believe Jesus called His church into being as a unified body. In order to promote this unity, we have determined to preach, teach and live the gospel, contained in the Bible.

Frankton Christian Church is known for its warm, friendly spirit and Biblical preaching. We invite you to be part of our fellowship, but more importantly, Jesus invites you to become a Christian. Let us introduce you to Him and the joy of being a part of the family of God.

First off Congratulations to the **Class of 2014**, WE MADE IT.

This yearbook has been very difficult and chaotic on account of the numerous changes to the system. First, we had strict deadlines so we could get the yearbook out before school ended. We also had the pleasure of being the inaugural book for all color. This feat in itself was difficult because we wanted to showcase the changes in a fascinating manner. I am proud to say that I have made new friends in this process and I could not have done this without these people. I would like to start by thanking my head photographer, **Hailey Hamby**. Without her, I would have been lost. Hailey was the first person I went to on almost every one of my decisions. Without a doubt, Hailey would be my co-editor without whom I would not have been able to get everything done. **Shelby Greene** was the most willing person to help anyone in the class on anything. She is one of those people who try their hardest to make people smile. **Carley Cleek** was best suited for the sports section and she blew me away with just how well she made the sports section look. She made the section different from any of the previous books. Now, to **Bri Turner**, and just how much she meant to me in the process of completing this book. Bri is the only person on the staff that can truly empathize with me on how hard it is to put together a yearbook. I was truly lucky to have the editor from last year in my class because she got me through some tough situations. I want to thank **Gabbie Abrams** and **Shayla Hernandez** for the work ethics they had when deadlines were fast approaching. I would also like to thank the Juniors who helped on this book: **Hayley Moore** - for taking some of the best pictures we had, **Kaylee Irwin** - for taking on the task of Junior High, **Kenzie Spangler** - for completing the entire Underclass section, and **Raleigh Burchett** - for having my back on the sales of Ads which is a very difficult task. A very special thanks to **Mr. Sipe** for being the one who pushed us to get the best possible product out of our work. Without Mr. Sipe, the yearbook would be very difficult. He makes the book possible and for that we all thank you. Finally, on behalf of the Eaglite staff, we would like to thank You for your support in reading our little project...after all these are our **SMALL TOWN STORIES**.
