**STUDENTS IN:**  
High School is challenging in every way. You wake up and work on improving and enjoying your life every second. Do you know yourself though? Your identity is important and should never be like anyone else's. Being you is the greatest thing that you could ever give yourself. Enjoy life and all the things it can throw at you, but remember to never leave yourself behind. Never let life consume your day, you owe that to yourself.

# STUDENT LIFE

ISSUE NO. 1 VOL. 58

\$2.00

**Apathy in  
the Halls**

***The student has more to do than hard work right? RIGHT! Life of one of our fine Franktonian students is filled with so much more than the occasional math problem or essay in English. One has to have time to have fun. . or just to laze about in the halls.***

20 F H S 07

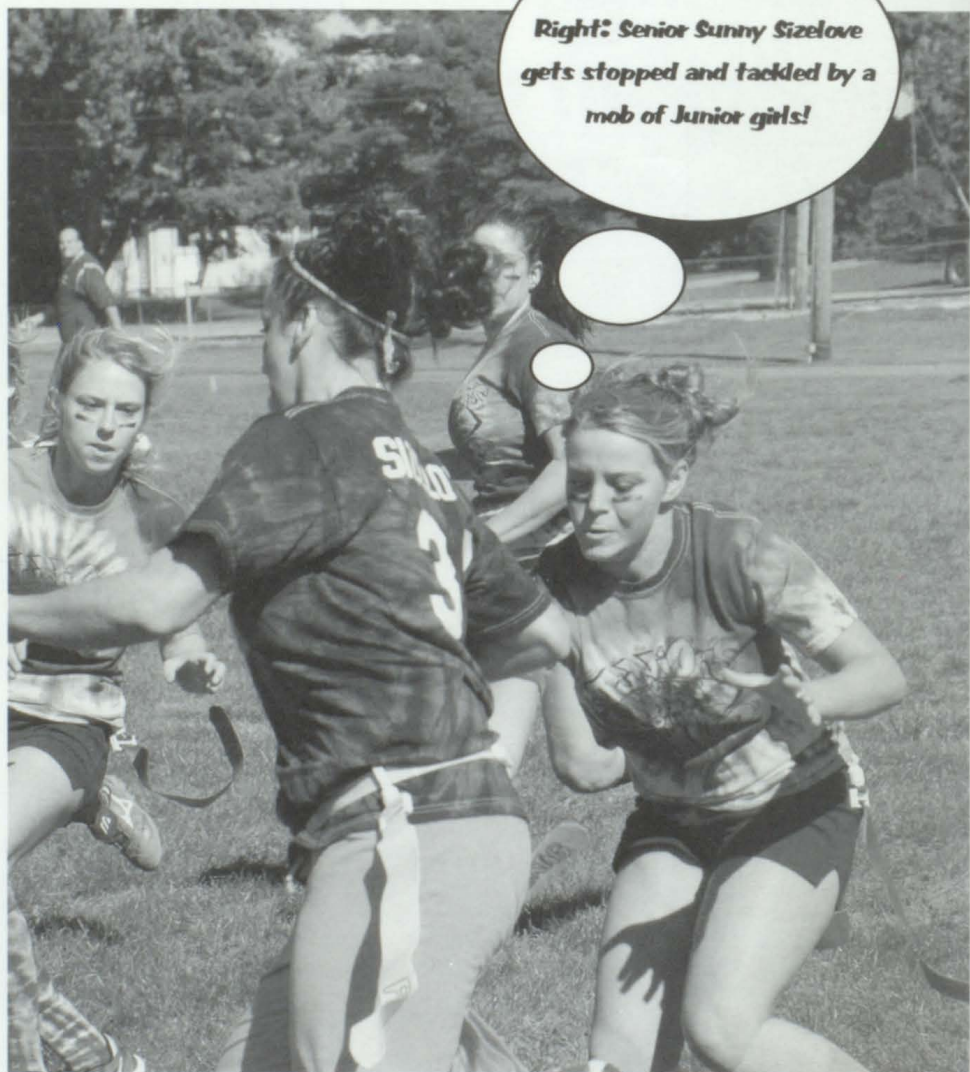

*Homecoming, it's the week that everyone shows school spirit more than ever! With many dress up days, and Red and White day most popular, many students side with either Juniors or Seniors for the powder-puff game. Maybe it was the pep rally or the excitement of competition, but the powder-puff game was heated!*

*Both Juniors and Seniors took over the field pumped and ready to play, and the competition began. Both teams had their strengths and weaknesses. Whether it was the Seniors of-fense or the Juniors physical defense, neither team could manage to get a touchdown! As tensions rose between girls, a fight was expected, but the girls tried to keep it cool. With just seconds left and the Seniors on the 20 yard line, just in time for one more play, the Junior girls played hard and held firm. The game ended in a tie: 0-0. Bitterness was in the air, but it was better than a loss and the girls went right back to normal with a hand shake and a "good game"!*

*Below: Samantha Hymes and Lauren Leisure are proud of them selves for winning the eggs foss!*

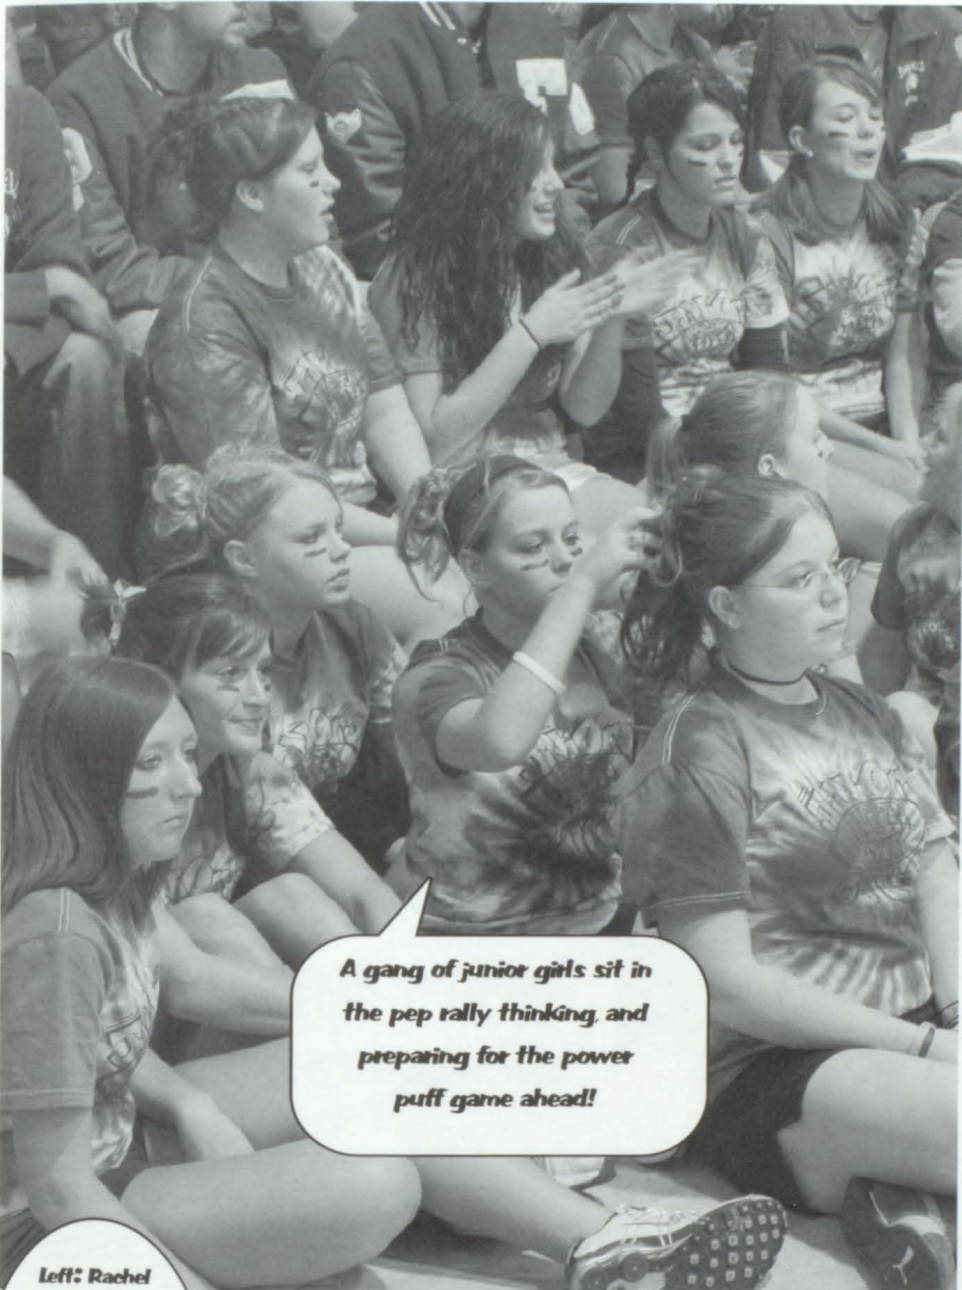

*Sophomore: Olivia Isaacs tries to win points for her class in musical chairs*

*Right: Senior Sunny Sizelove gets stopped and tackled by a mob of Junior girls!*

*A gang of junior girls sit in the pep rally thinking, and preparing for the power puff game ahead!*

*Left: Rachel Hull and Islam Manaf-Zade, exchange student, are crowned Homecoming King and Queen!*

*Brock Clevenger ate his pie so fast that most of it is on his face!*

*Freshman Boys, try their hardest to beat the sophomores and win tug of war!*

**Drew Lacey & Austin  
Jeness dress up in scary  
masks.**

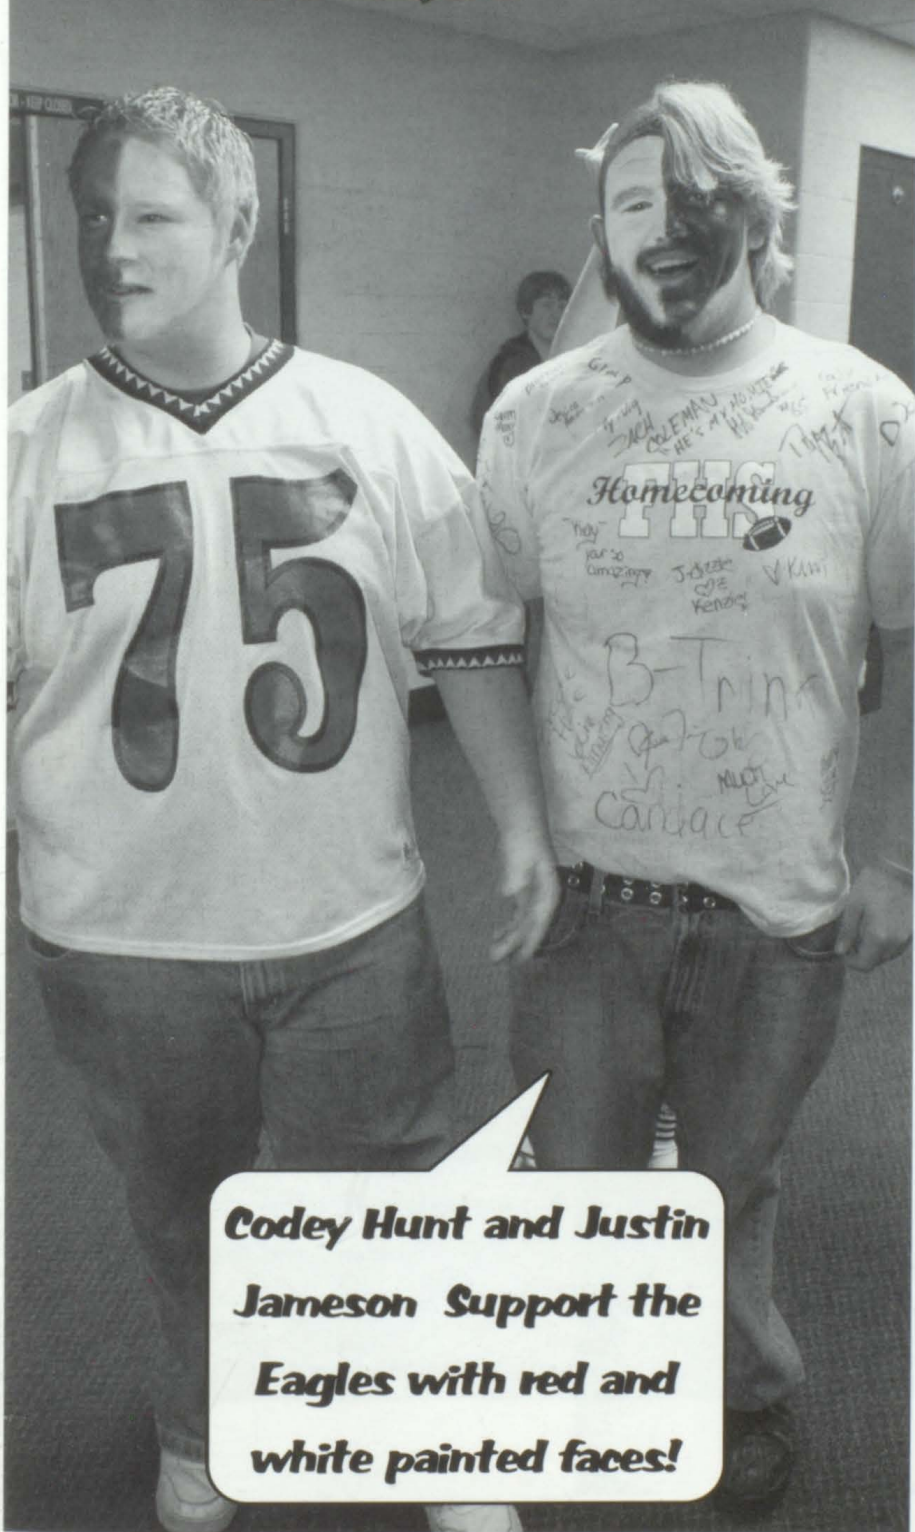

**Chad Covell and  
Zachary Marsh pose  
for a photo looking  
super cute.**

**Above: John King shows his  
school spirit with a girlie  
tutu, on gender switch day  
Right: Robert Martin runs  
around with his crazy mask  
of Richard Nixon**

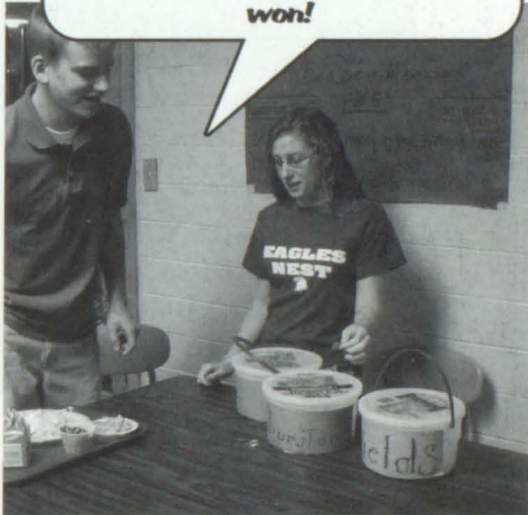

# EAGLES DRESSIN' IT UP, WITH SCHOOL SPIRIT

**Cody Hunt and Justin Jameson Support the Eagles with red and white painted faces!**

**Mary Turner & Nicholas Justice collect the money, from penny wars to see what teacher will get a pie in the face... Below: looks like Mr. Thurston won!**

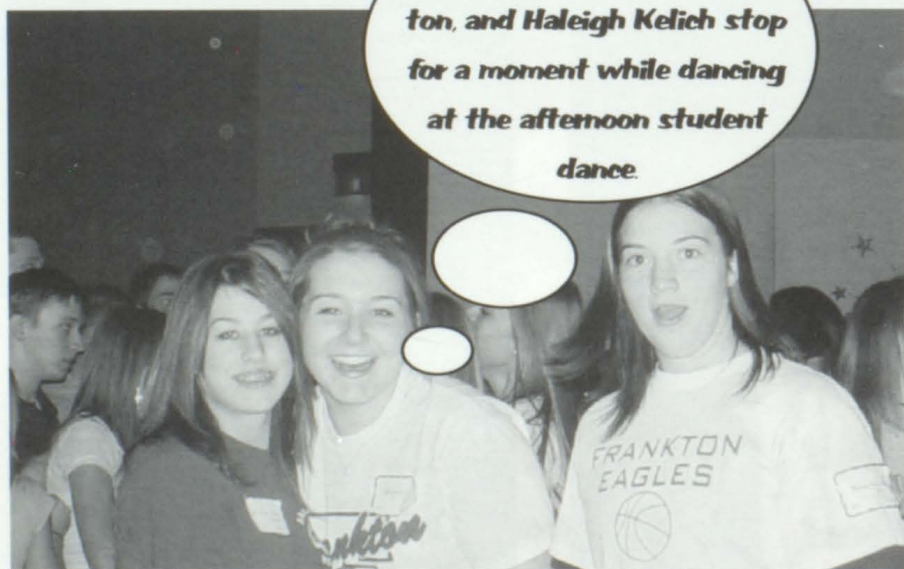

# CHORAL FESTIVAL

*The Choral Festival this year was at Madison Grant and included singers from five Madison County schools!*

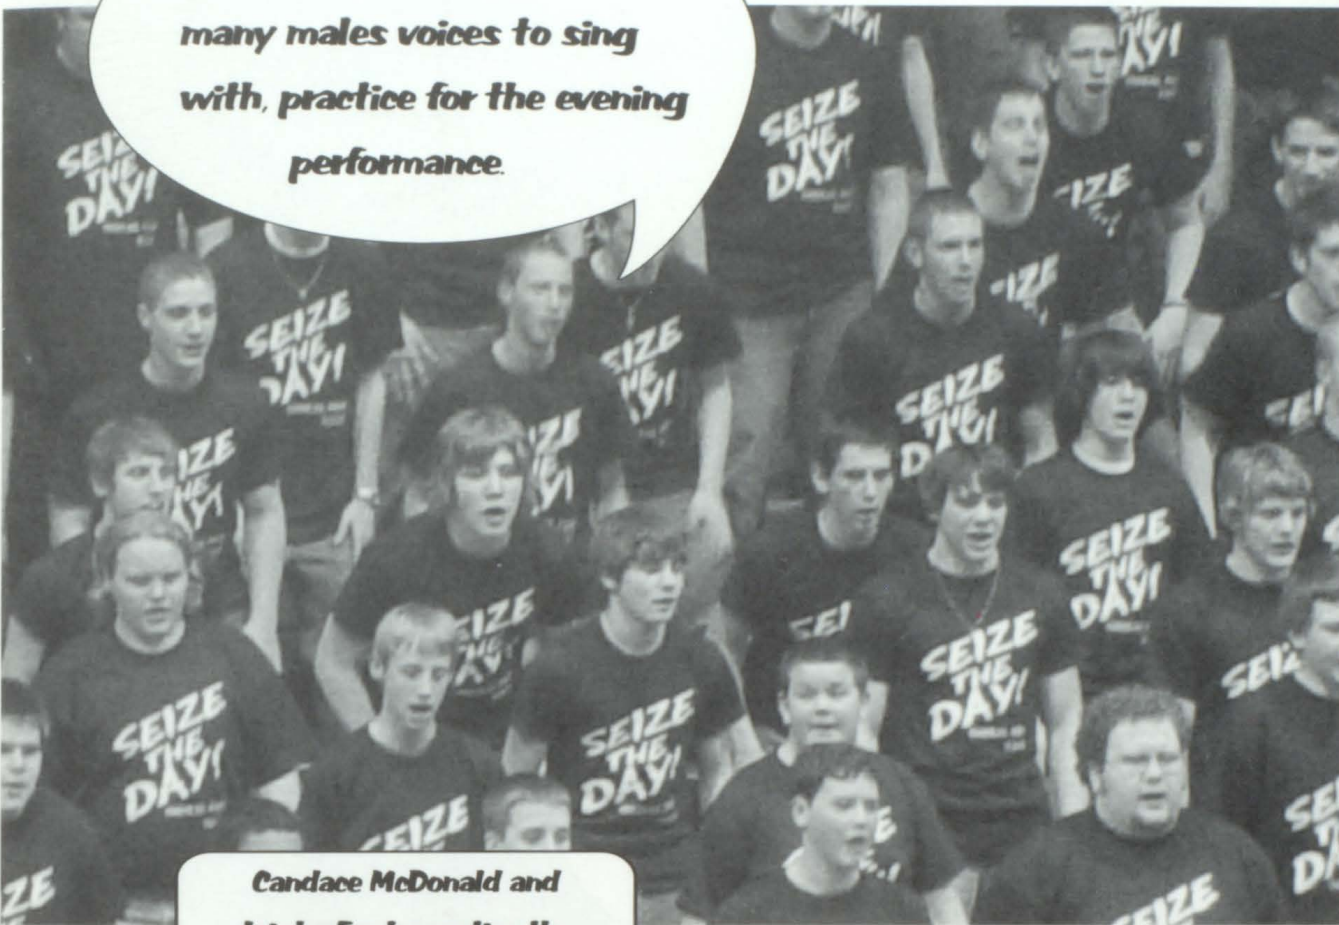

*Adrienne Hinds, Mollie Hamilton, and Haleigh Kelich stop for a moment while dancing at the afternoon student dance.*

*Brooke Hise and Candace DeLong go through the motions with other girls at the morning and afternoon practice.*

*The boys, not used to this many males voices to sing with, practice for the evening performance.*

*Candace McDonald and Leigha Funk practice the moves they've been working on all day*

*Freshmen, Jared Mathison & Kylie Graham, have fun at the student dance!*

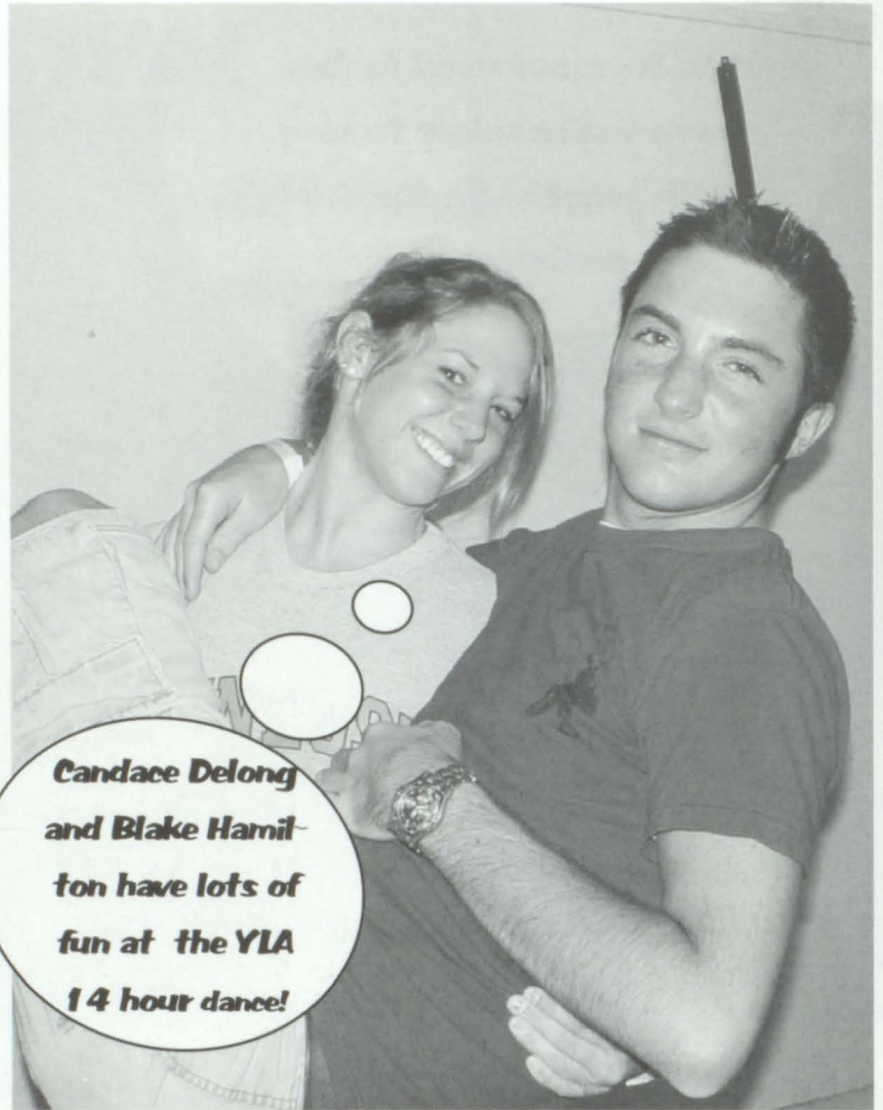

# DANCE DANCE

**Mary Turner

hockey at

it at the jungle  
dance.**

**Candace Delong  
and Blake Hamil-  
ton have lots of  
fun at the YLA  
14 hour dance!**

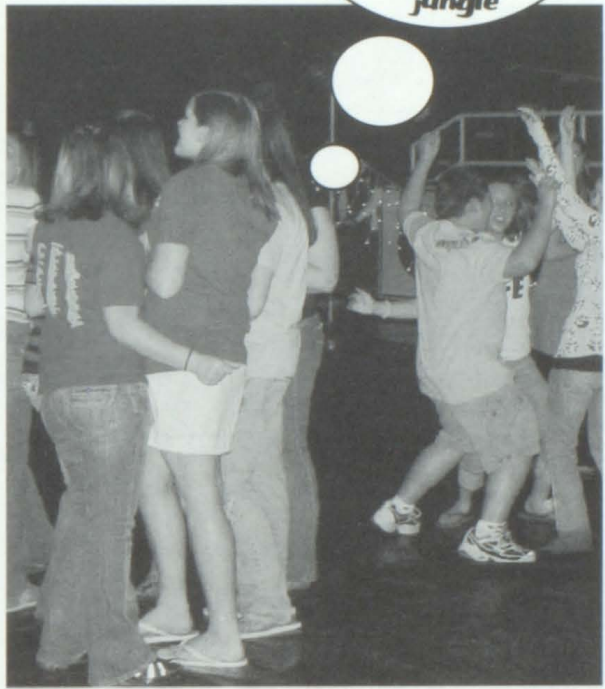

**In the Jungle the  
Jr. High stu-  
dents play limbo!**

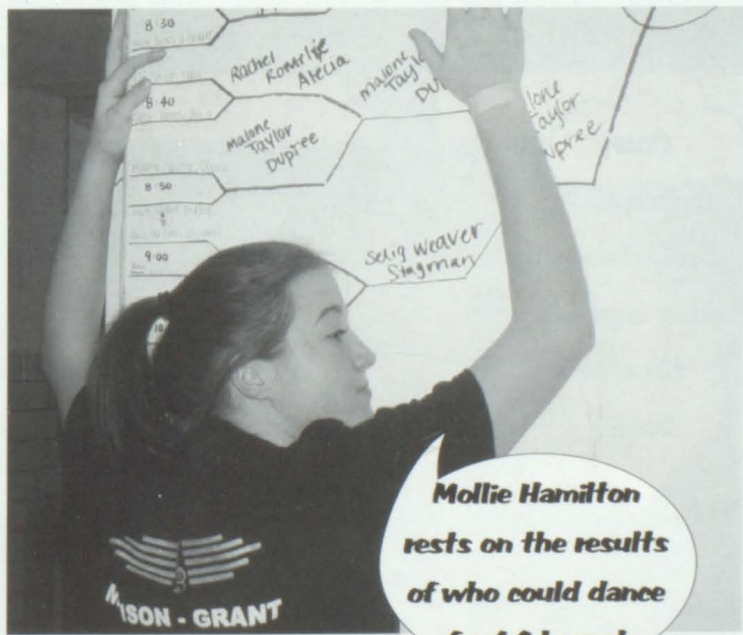

**At the yearbook dance, students sit down for a second and sign each other's books!**

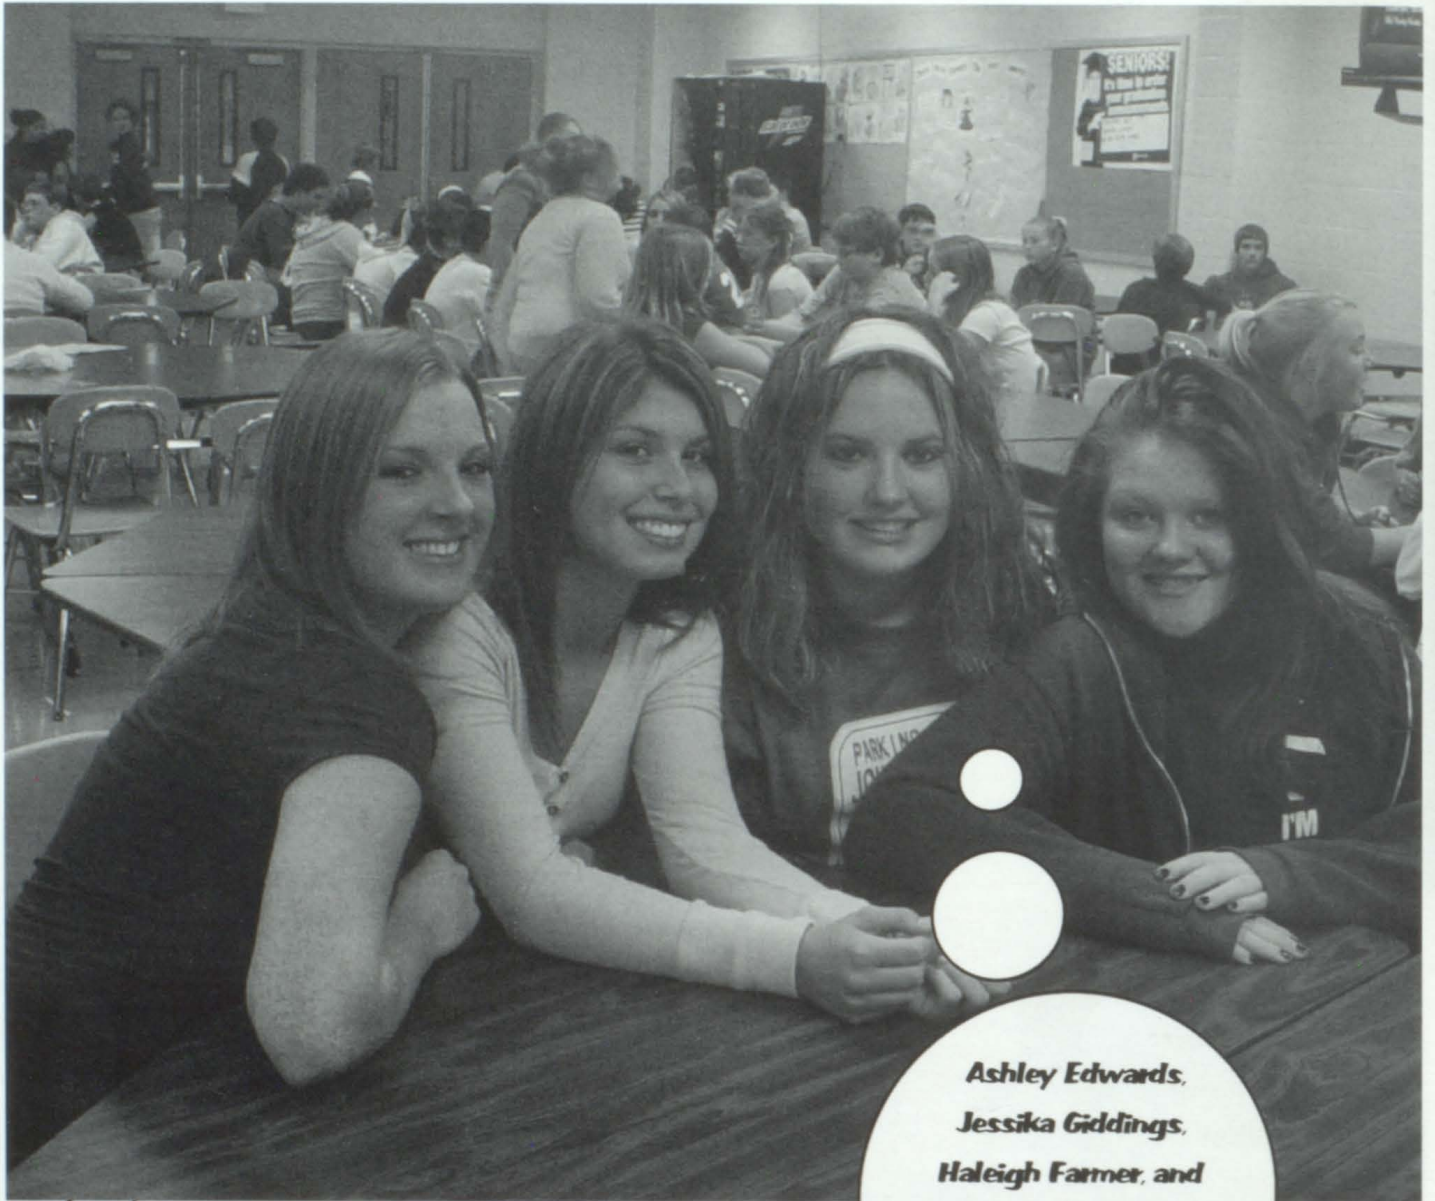

**Jr. High students look fierce at dance held by prom committee, in the jungle**

**Erica Gause, Candace Delong, Blake Hamilton, & Danielle Jeske pose for a quick snapshot!**

**Mollie Hamilton rests on the results of who could dance for 14 hours!**

journalism assign-  
ment, helps out at  
lunch.

**63% of the Frankton High School students say lunch is the best time of the day**

**L u n c h - A meal eaten at midday.**

## Students' Favorites

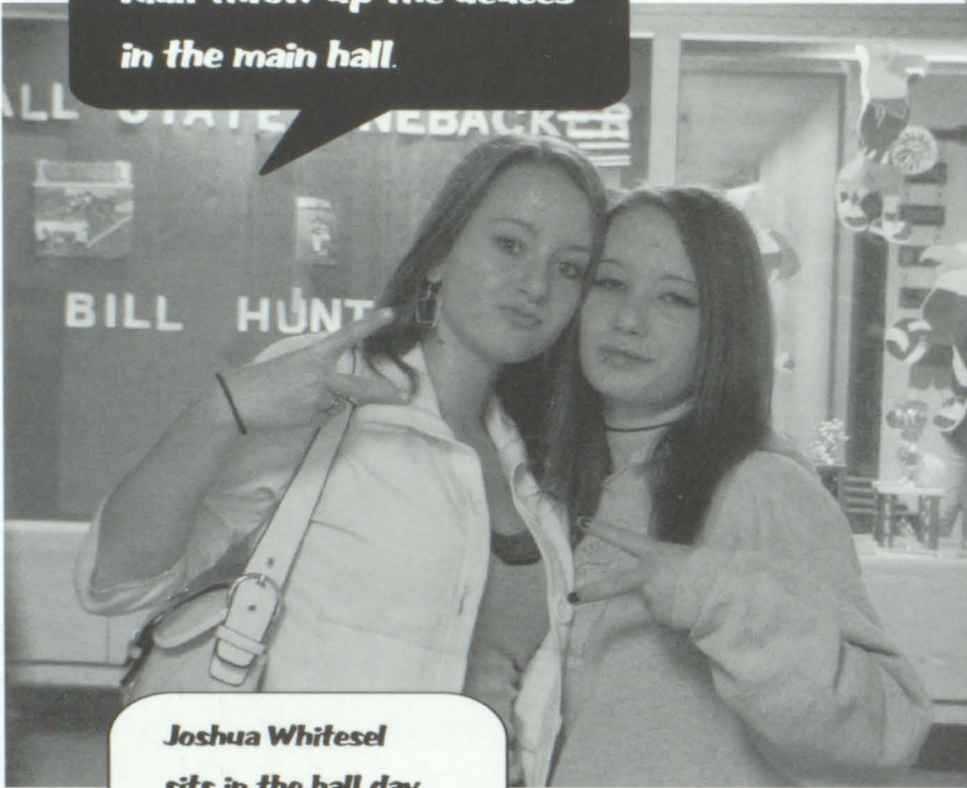

- #1. Chicken and Noodles**
- #2. Spicy Chicken Sandwich**
- #3. Walking Tacos**

together.

**A group of students sit and talk at A lunch!**

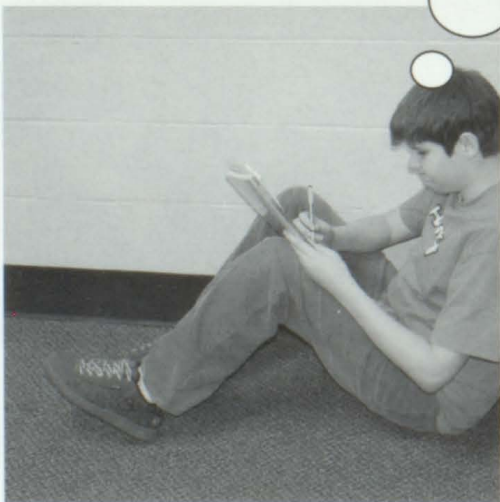

*Lauren Moore and Kiley Riall throw up the deuces in the main hall.*

*Nathan Lennon reads and works in the hall.*

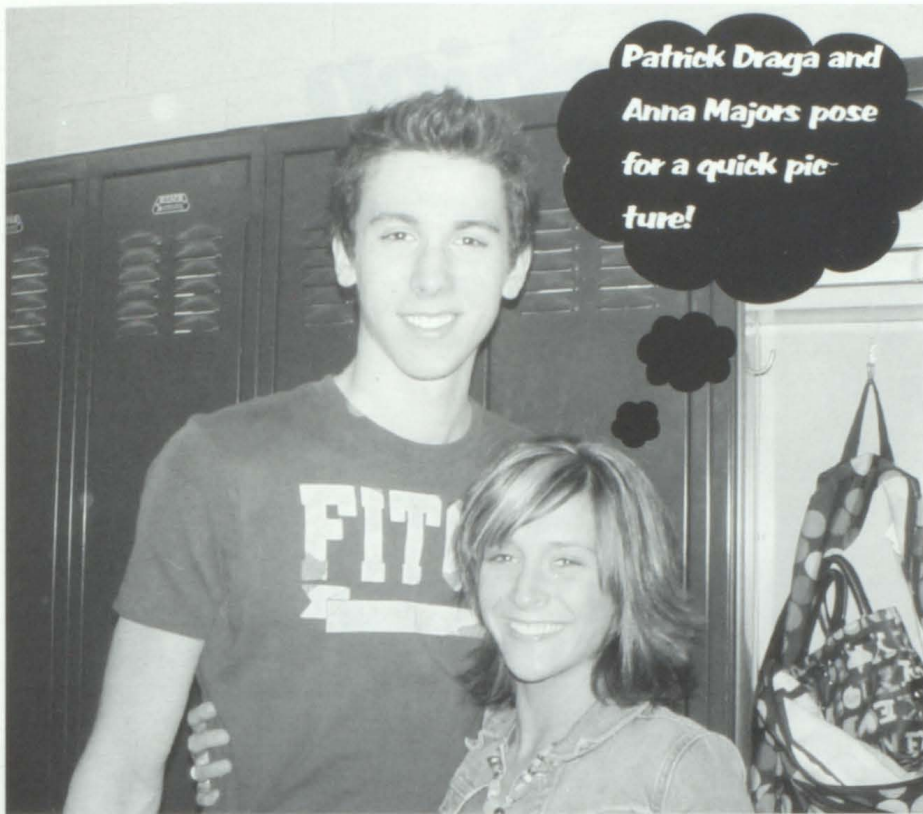

*Curtis Kelly lies in the hallway for a little nap?*

*Steven Browning gets a fast picture in the hall.*

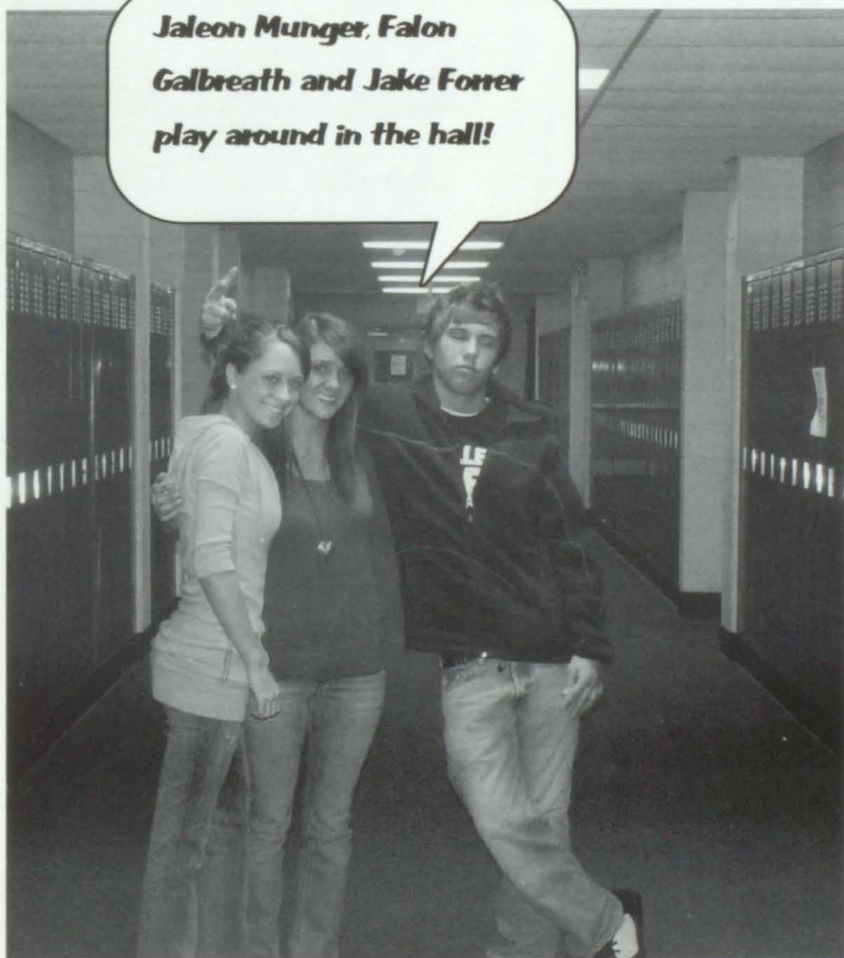

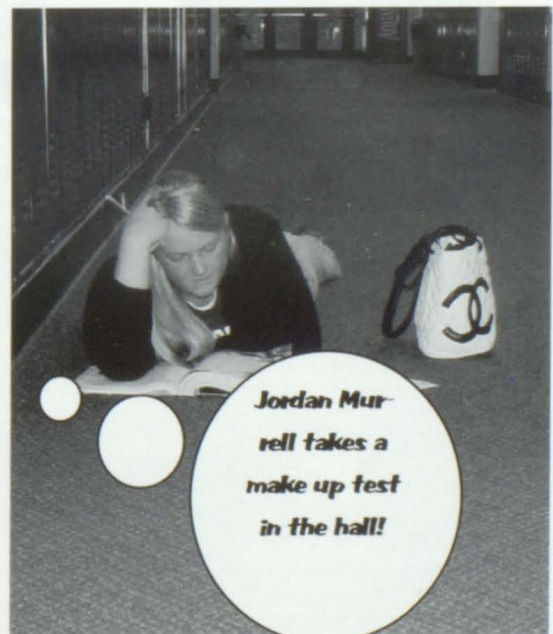

*Patrick Draga and Anna Majors pose for a quick picture!*

# **In the Hallways**

*Some people may think that sitting in the hallways during class is some kind of punishment, but at Frankton most students would rather study in the hall than in the classroom setting! They say it's quiet and many teachers let two or more friends sit outside in the hall at once! Therefore a better word for hallway might be study hall!*

*Jaleon Munger, Falon Galbreath and Jake Forner play around in the hall!*

*Jordan Murrell takes a make up test in the hall!*

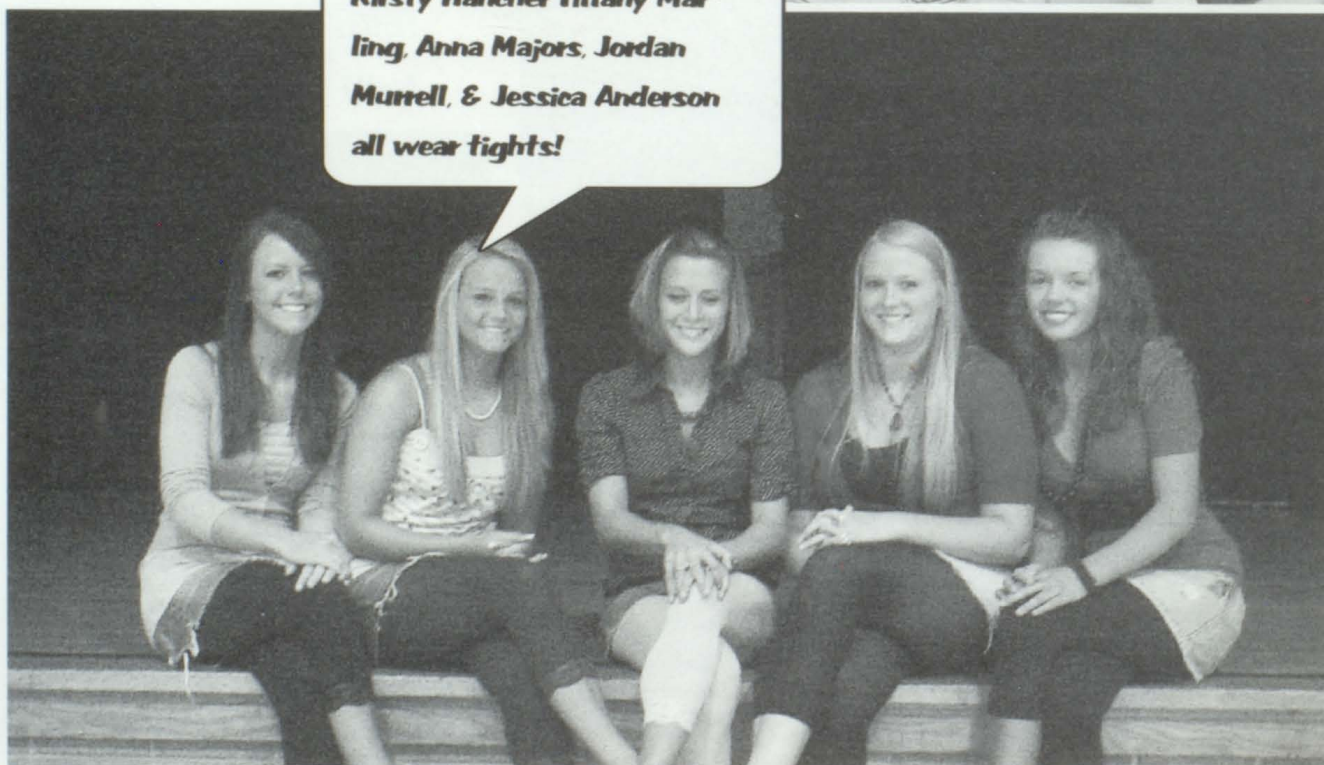

# Frankton's Fashion

*Frankton's fashion sense is unique in its own way. From old school Nike's to ballet flats, skirts and tights to cropped vests. Overall most of the students prefer sweats and sweat shirts! Although we all have different styles, and dress our own ways, the students at Frankton all get along great!*

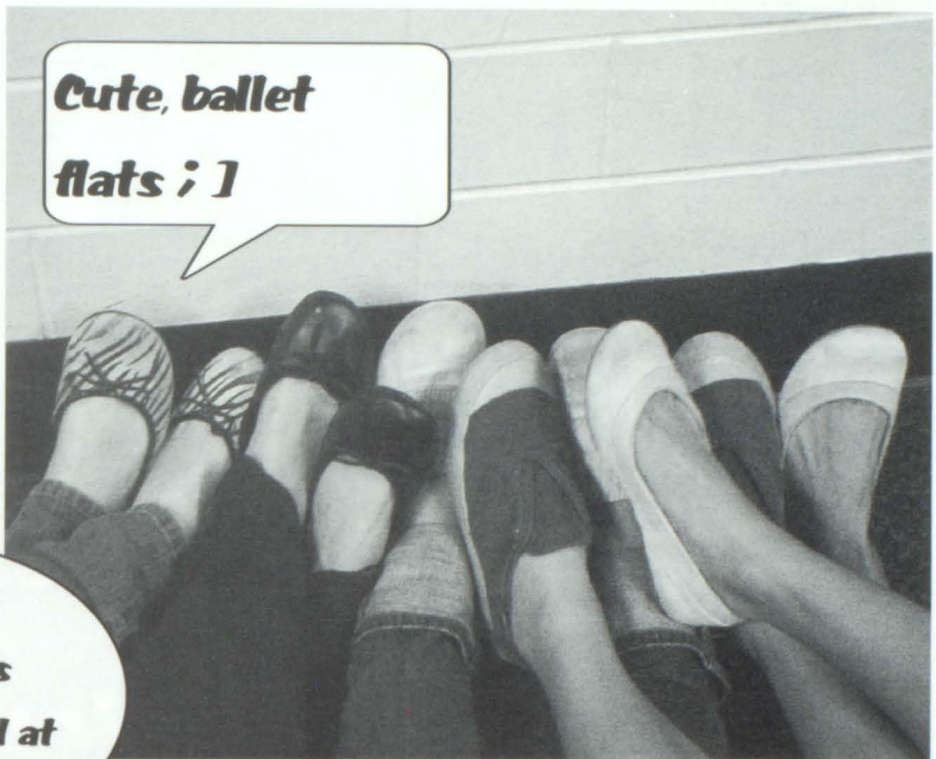

*Yeah, look at our straight legs*

*Kirsty Hancher Tiffany Marling, Anna Majors, Jordan Murrell, & Jessica Anderson all wear tights!*

**Cute, ballet flats ; ]**

**Sweats and sweat shirts are a big fad at Frankton!**

**No way, are those old school Nike's?**

## The Case of the Exploding Brains.

*Is this what happens when you study too much?*

*The woman who thought she was a man and the man that thought he was a woman. What bizzare happenings will occur next?*

*Our young hatchlings discover the new, intriguing world of academia. Gradually they discover themselves and understand the meaning of education and how important it is for the future. They eventually will build their way up to the top of the educational tower, then look down upon the complicated splendor that is their life.*

## 2006 Team

The boys ended their season with a 5-7 record under the direction of Otis Cress, after a hard loss in sectional championship against Sheridan. The team had a rough start, but really pulled themselves together towards the middle of the season. Eight seniors graduated leaving quite a gap in the lineup, however; the eleven juniors that will be returning as seniors will provide great leadership and hopefully a better season next year.

The team walks on to the field after winning against Alexandria.

*The Girls Volleyball team wrapped up their season with seven wins and only eleven players for both junior varsity and varsity. Two of these girls were injured leaving only nine eligible players. Because of the shortage in players the JV only had half a season which meant that the younger girls had to step up, give their all, and play varsity. The young team of no juniors and mainly freshmen and sophomores looked for leadership in their one and only senior, Rachel Hull.*

*Julie Smith was the new coach for the girls and was assisted by Ginger Thomas.*

*This season was a great learning season. Many of the girls had to really step up and play varsity as freshmen and sophomores, which is a very difficult job to do. I am very proud of the girls that kept playing and stuck out the season," said Thomas.*

## BOYS TEAM

The Boys had a stronger season this year placing 9th and above in all invites. They had more runners than in the past. Nine made up the team with two seniors, Austin Jenness and Alan Martin; however their roster was shortened when Aaron Martin and Blake Hamilton became injured. They had more competition between the boys and better attitudes making this a much more positive year.

## GIRLS TEAM

The Girls had another outstanding season, ending the year with a 140-19 record. This season was aimed toward team success not just individual success. Both girls and boys were coached by Brian and Valerie Williams. Katie Swan was the lone senior, in her fourth year on the team.

The girls' team takes a practice stride before their meet.

*The Eagles season came to an end after losing in the first round of sectional to Shenandoah. Their record was 10-13 under the direction of Coach Jeremy Parker. Leadership for the team came from five seniors: Kelsey Cress, Samantha Hymes, Lauren Leisure, Sunny Sizelove, and Kristen Willhoite. After the past two years receiving state runner-up titles, this year proved to be a rebuilding year for the Eagle's softball team.*

# Girls Tennis

The girls tennis team had a much more successful season than last year, making it to sectional finals for the first time in many years. Fifteen girls made up the team with two seniors, Megan Bolt and Rachel Hull. Ginger Thomas was the second year coach for the girls. "We are progressing in the right way, some of the girls really stepped up and we were able to get a few more wins just by being mentally tough." The JV team also had a decent year, finishing with a record of 4-9.

Coach Thomas meets with the girls during a rainy day of practice.

*What would a basketball game be without our favorite cheers led by our cheerleaders. This year the girls added thirteen new faces to their squad, five of which were freshmen and the other eight added some extra volume to the team as male "liffers." Captains included the two seniors: Maggie Isaacs and Lillie Knotts. The girls were coached by Misty Hovemale.*

Their 4x800 relay team took first at county with a time of 10:31:39 breaking a new school record. Katie Swan is the only senior to leave the team. The girls were coached by Jennifer Fields, and finished their season with a record of 24-14.

The Boys team had a rebuilding year with most of the team made up of freshmen and sophomores. Andre Lo coached the boys and ended their season with a record of 8-40. ## Our Identity

Wow, the 2007 Eaglite is complete and on time. It has been a wonderful experience being The Editor-In-Chief of the yearbook. I have learned a lot about the yearbook making process and believe I am a better person because of it.

Many people have helped contribute to this book and I would like to thank each one of them for the time and effort they put into making this book a success. First of I would like to thank the yearbook advisor, Mr. Sipe, for putting his faith in me to do this job. Second I would like to thank our Herrf Jones representative, Janelle Young, for walking us through every problem we encountered, and all the candy. Last but definitely not least, I would like to thank my staff: Jordyn Bott, Anna Neese, Kelsey Cress, Emily Nabb, Amanda Kiphart, Barry England, Hannah Owen, Ashley Swatz, Kirsty Hancher, John King, and Ashley Shirley. You all put in extra time and effort to make the 2007 yearbook turn out great.

I hope that you, the student body or any other reader, know all of the time and hard work that went into creating this book. Through the 2007 Eaglite we found our **Identity**.

Thank you,

*Megan Call*

**THE END OF THE 2007 CLASS, BUT THE STORY  
OF FRANKTON JR./SR. HIGH SCHOOL IS ...**

**TO BE CONTINUED**

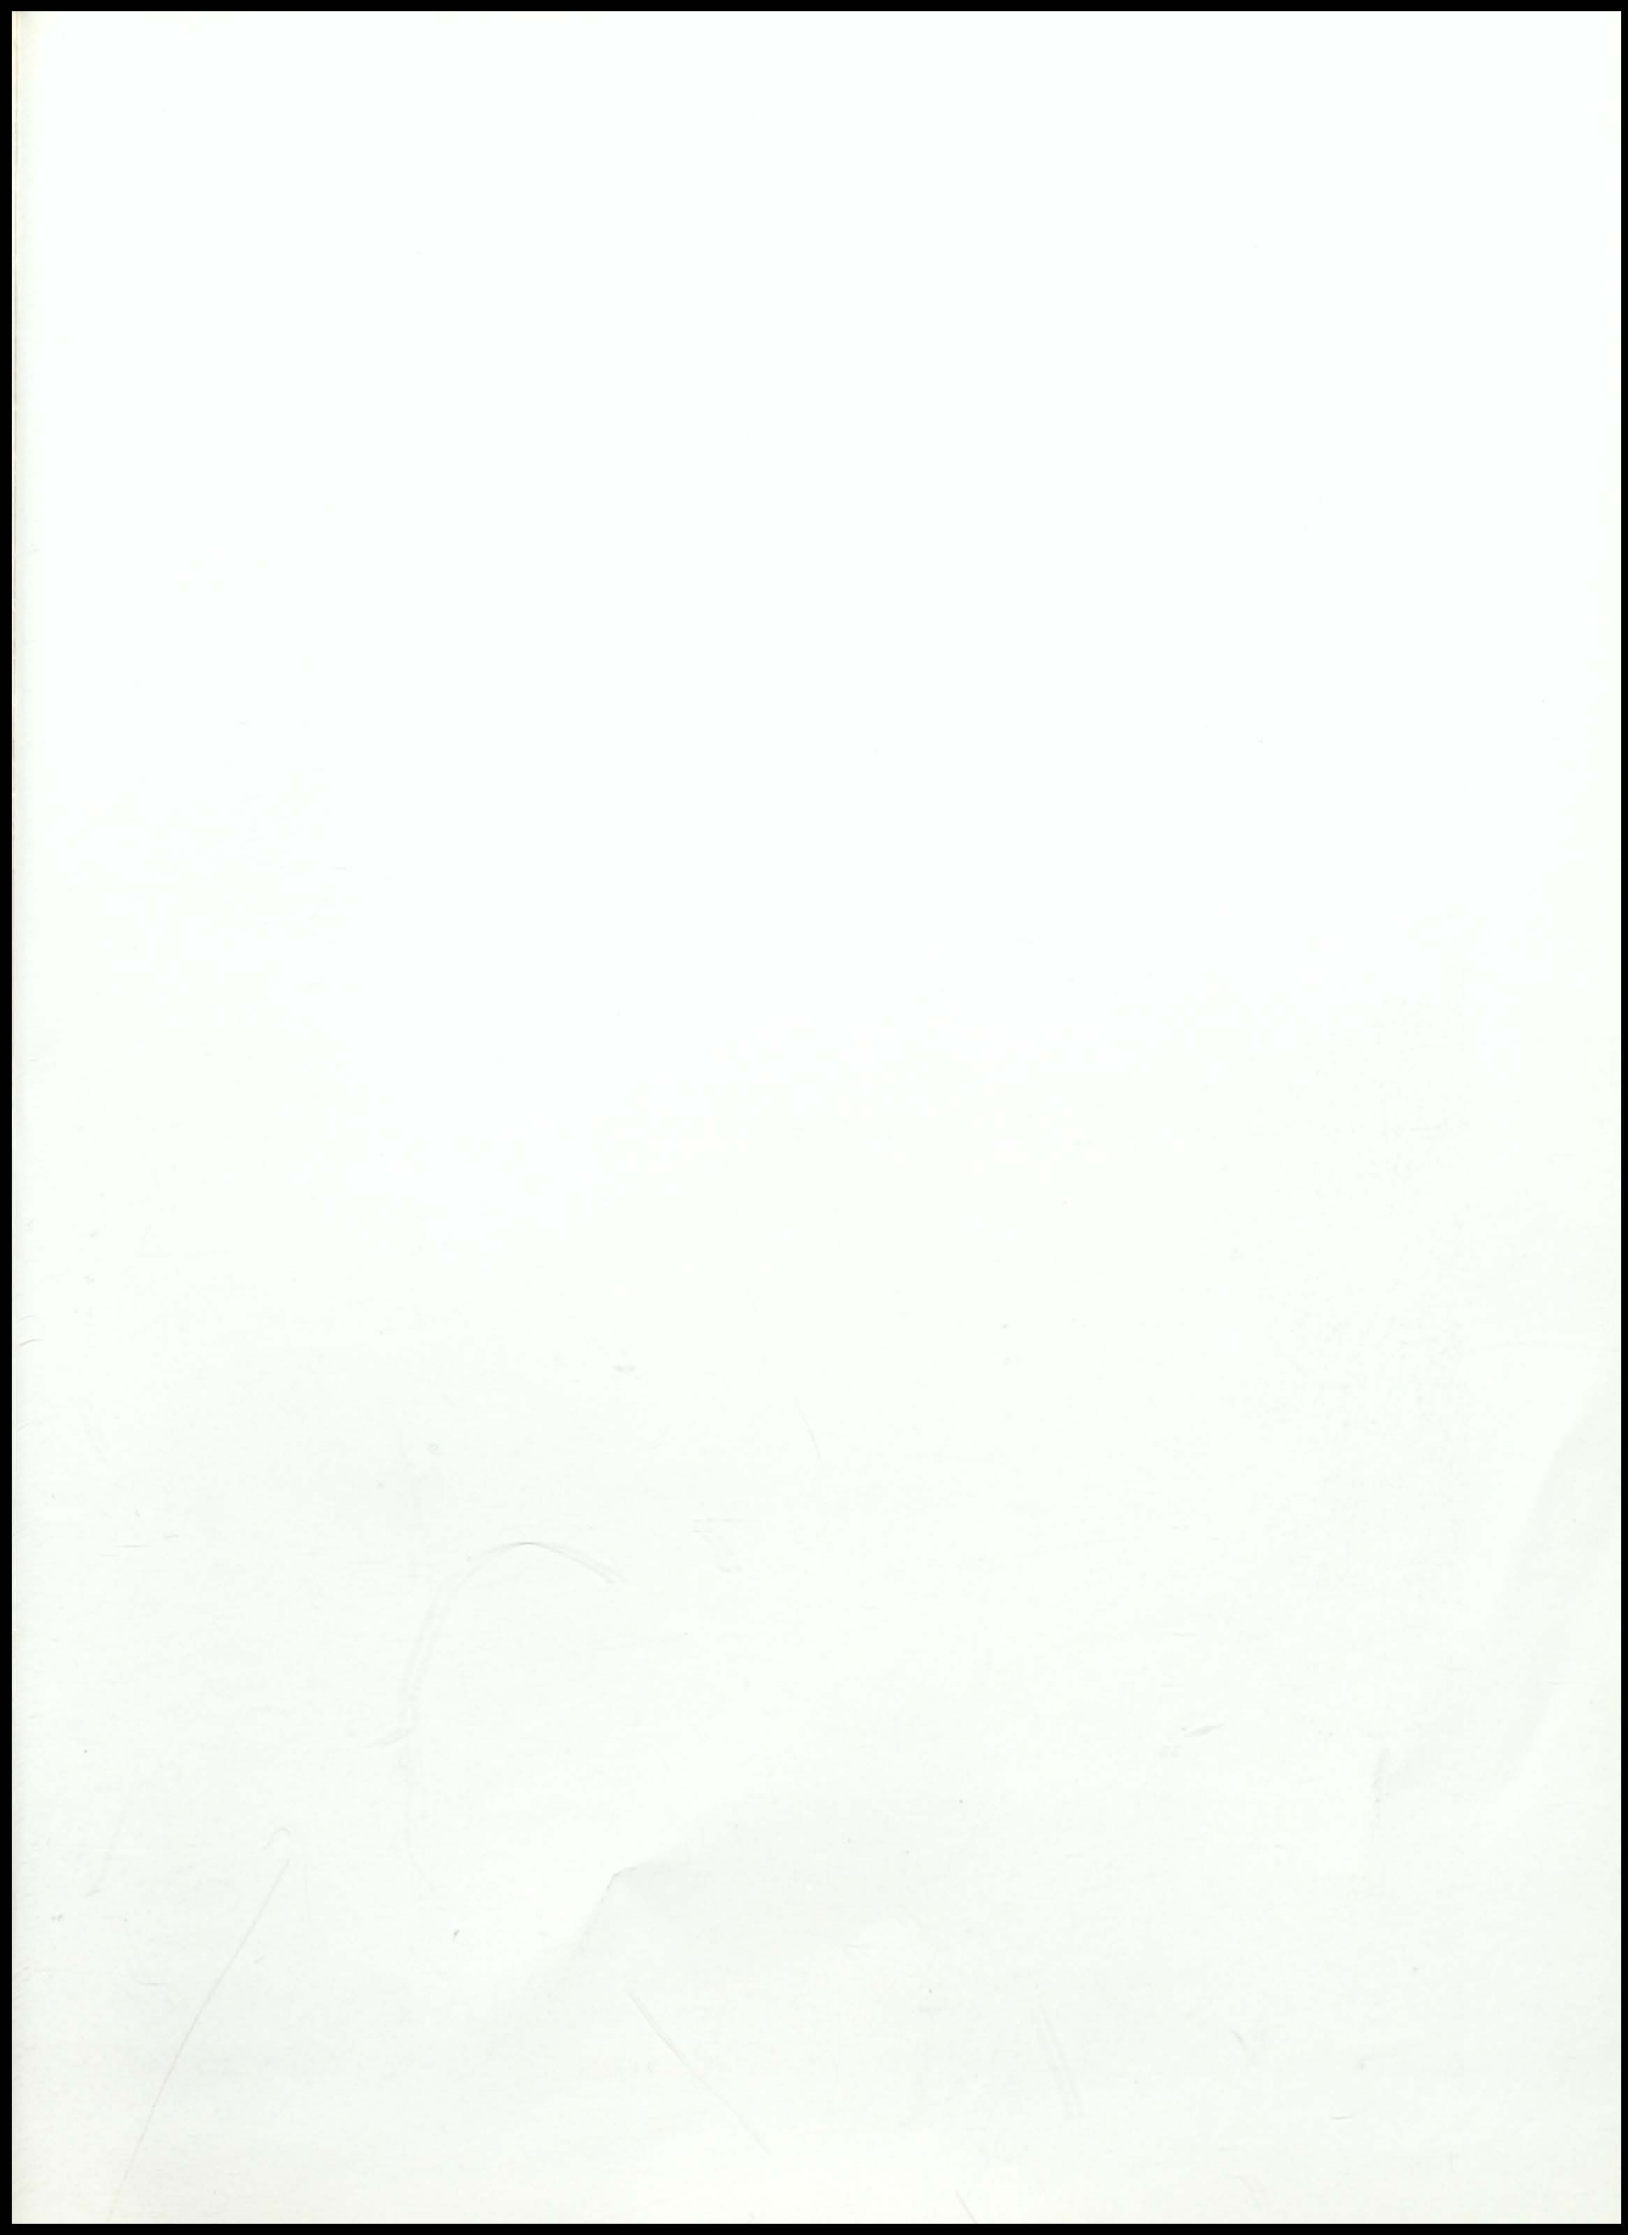

**\$2.00**

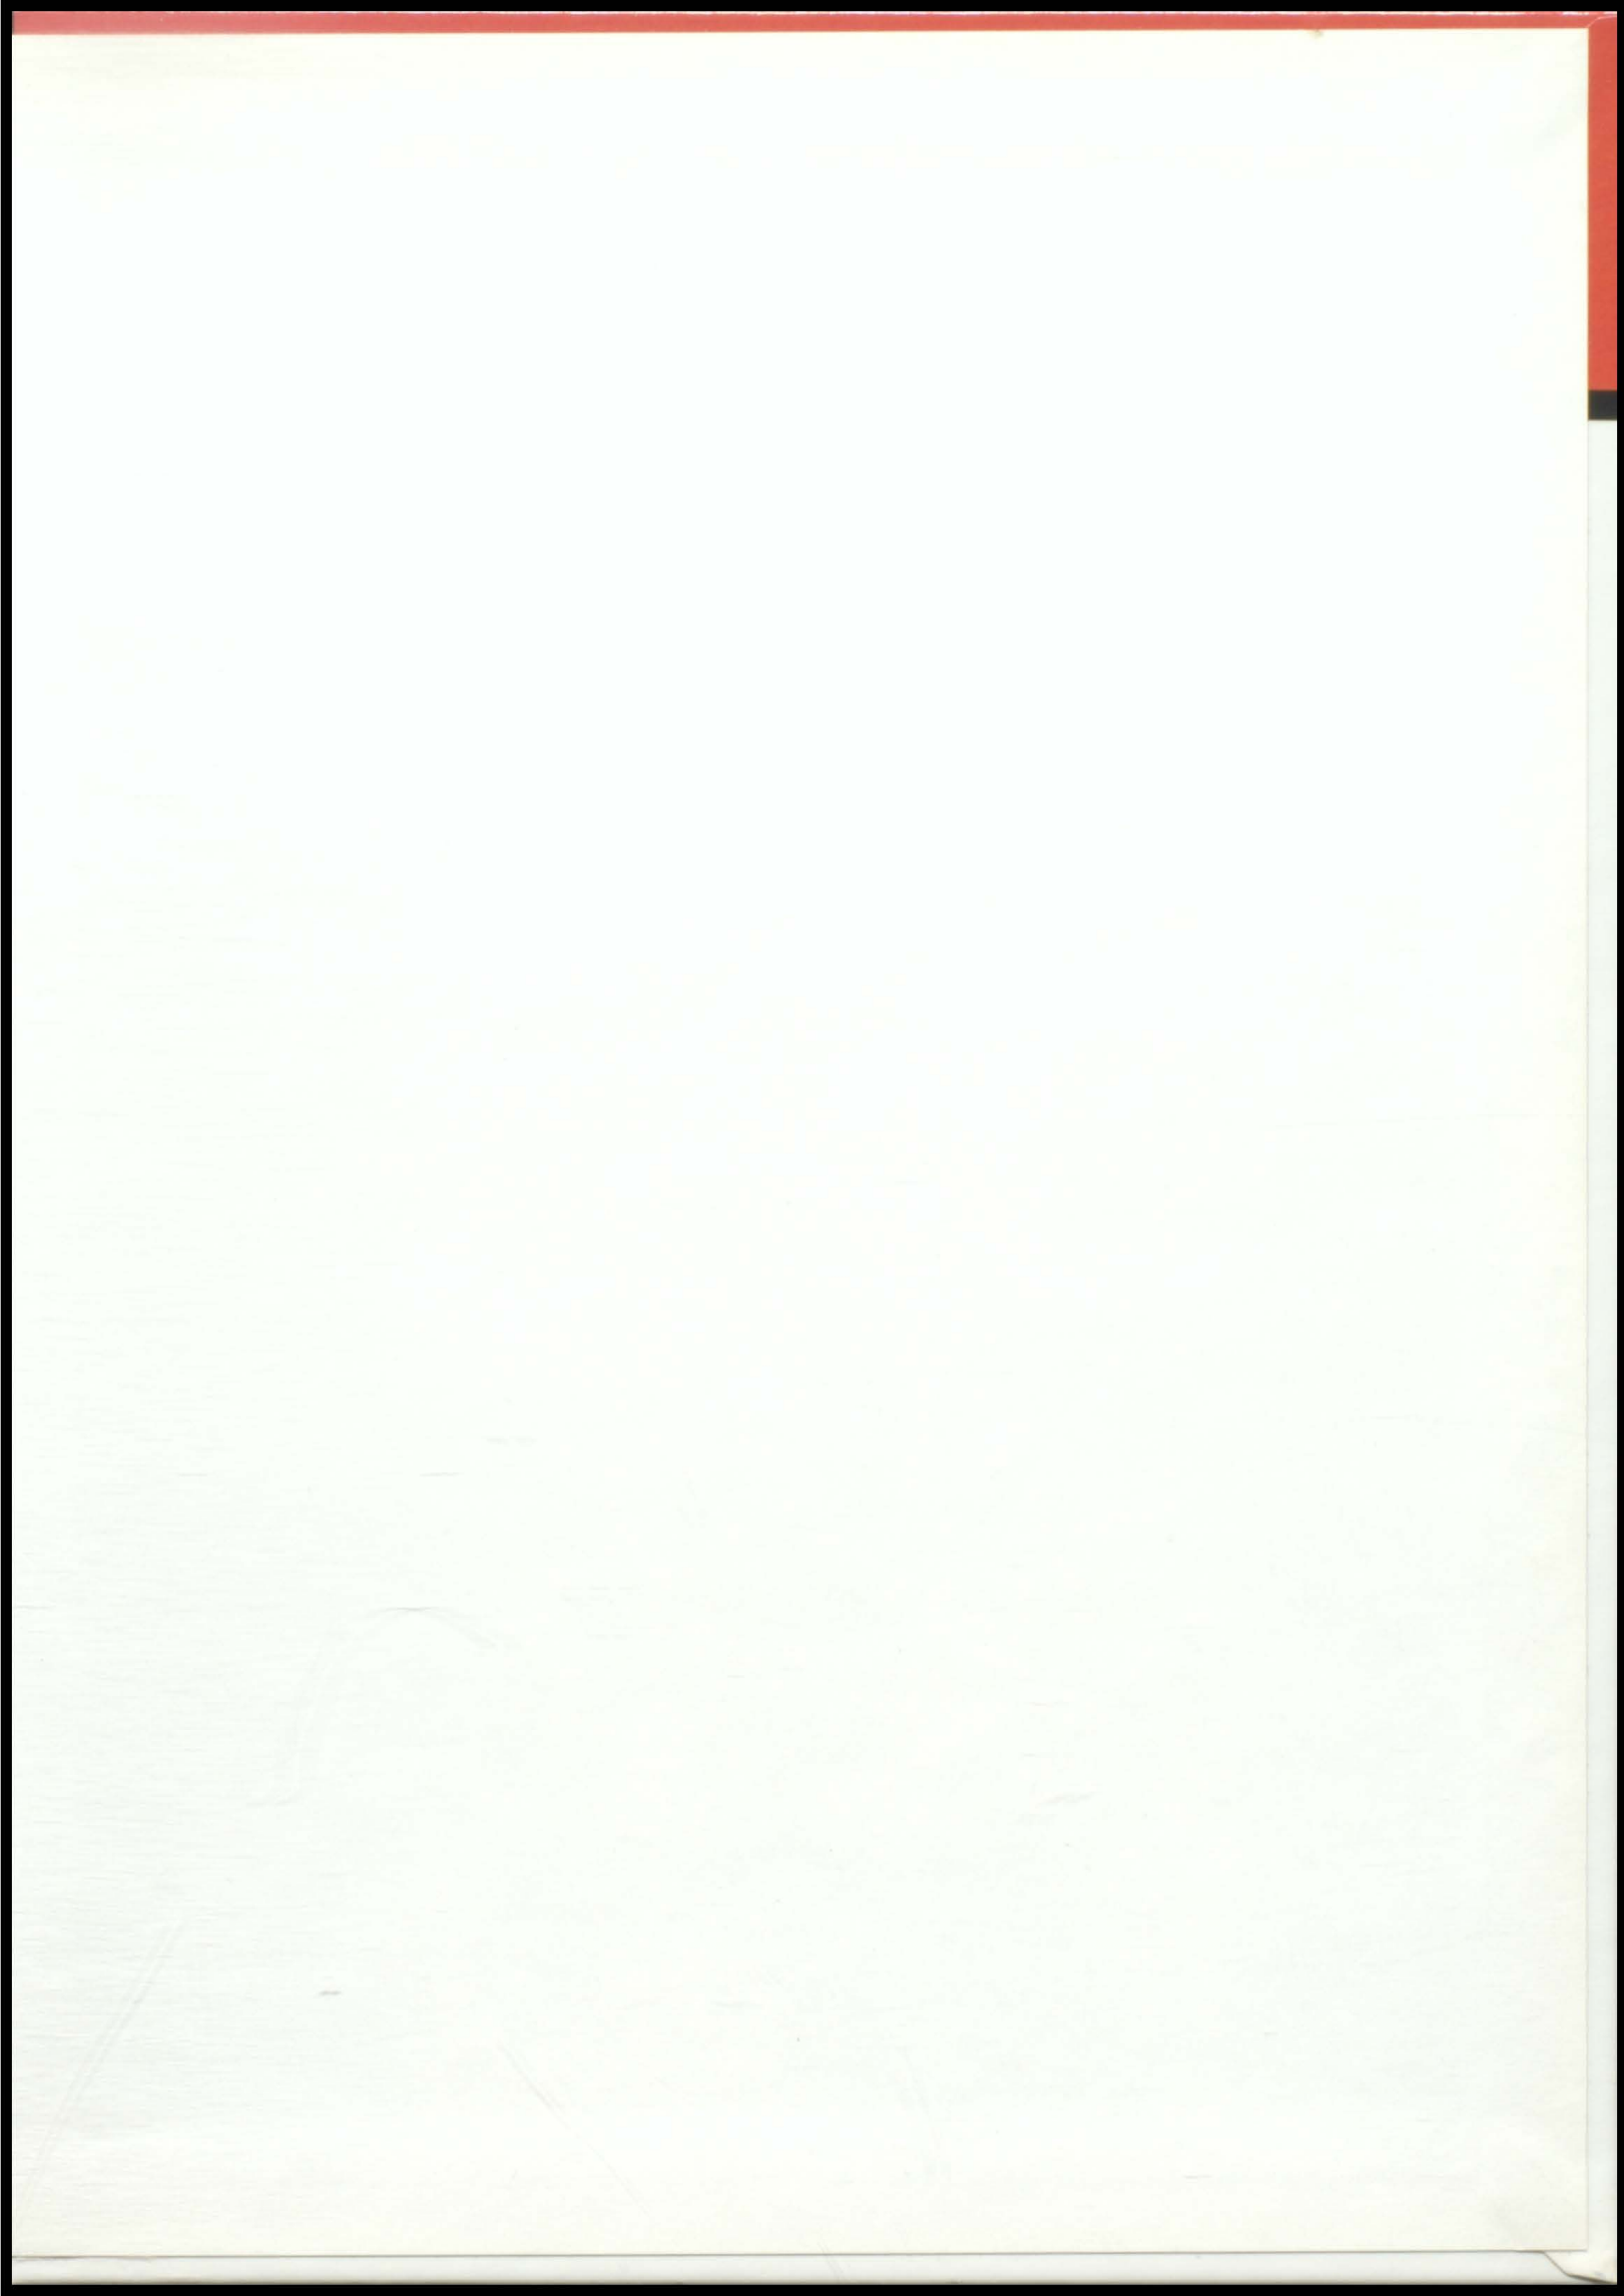

**Well Frankton students, have you found your identity yet? Or is it still hidden deep under your skin waiting to be found one day? Rise above everyone else and find out how to just be you. That's the best gift you could ever give yourself. Being lost in a sea of faces in high school is a difficult thing.**

**So stand out. Be who you want to be. The only voice that matters when it comes to who you are is yours. Never let the words of another define who you are. You can be anything you could ever imagine. Let yourself grow in your life and never deny yourself what you want because of the thoughts of another.**

**THE END...OR IS IT?**

Another year has come and passed in the little town of Frankton ...the year is 2007 and much has occurred. Somewhere in the town, folk stir with talk about a book that describes the emotional and triumphant life of a teen's passage to graduation. On the wings of an eagle, we take flight to an extraordinary land of books, your first crush, an extreme imagination, and an occasional tardy. This personal journey we start when we get here; we begin as a nobody and eventually build to be a somebody. Knowing who we are and planning a course to succeed on for that crisp, dawning future we can achieve anything. The time has come to discover yourself. Go far in life.....

Find your identity.
