#Cress

In 1976, Frankton welcomed a teacher and a coach to the staff, Mr. Otis Cress. After first serving a stint in the Army and seeing action in Vietnam, Mr. Cress attended Anderson University and wrestled as well as played football. He later furthered his education and received his Masters Degree from Ball State University. He became Frankton's football and wrestling coach. Mr. Cress says that he enjoys coaching both sports because they are both completely different. One of his favorite memories of his coaching career was in 1993 when the football team beat two-time defending state champs, Secina. Mr. Cress retired from teaching this school year: 2012-2013. He plans on coaching wrestling and football for one more season (2013-2014). After teaching for 37 years and coaching 38 years, he will be greatly missed by the players, students, staff, and people in the town of Frankton.

#8th Grade

Eighth Graders are now not the new kids in school anymore. They quickly adjust to the life of a soon to be high schooler, and they're anticipating the excitement of changes, and a new environment. Eighth graders have made many memories, that they will continue to cherish throughout their lives. Friends, Dances, the DC Trip, and many more things fill up the days of an eighth grader. They spend their days trying to figure out who they are, and how to grow up. Eighth graders have a lot on their mind, but they still continue to enjoy every day

#7th Grade

Going from being the oldest in the school, and now being the youngest can be very scary as well as exciting for many students! However, after you can face your fears of the tall and scary high school students, and all of the changes that you will have to get used to, many students can agree that your junior high years are some of the greatest years that you will have in school. So sit back, and enjoy every memory that you have made, and all of the changes that have occurred, and will continue to occur.

Frankton Christian Church is a non-denominational church patterned after the church of the New Testament whose purpose is to serve Christ in this community. We believe Jesus called His church into being as a unified body. In order to promote this unity, we have determined to preach, teach and live the gospel, contained in the Bible.

Frankton Christian Church is known for its warm, friendly spirit and Biblical preaching. We invite you to be part of our fellowship, but more importantly, Jesus invites you to become a Christian. Let us introduce you to Him and the joy of being a part of the family of God.

Letter from the Editor,

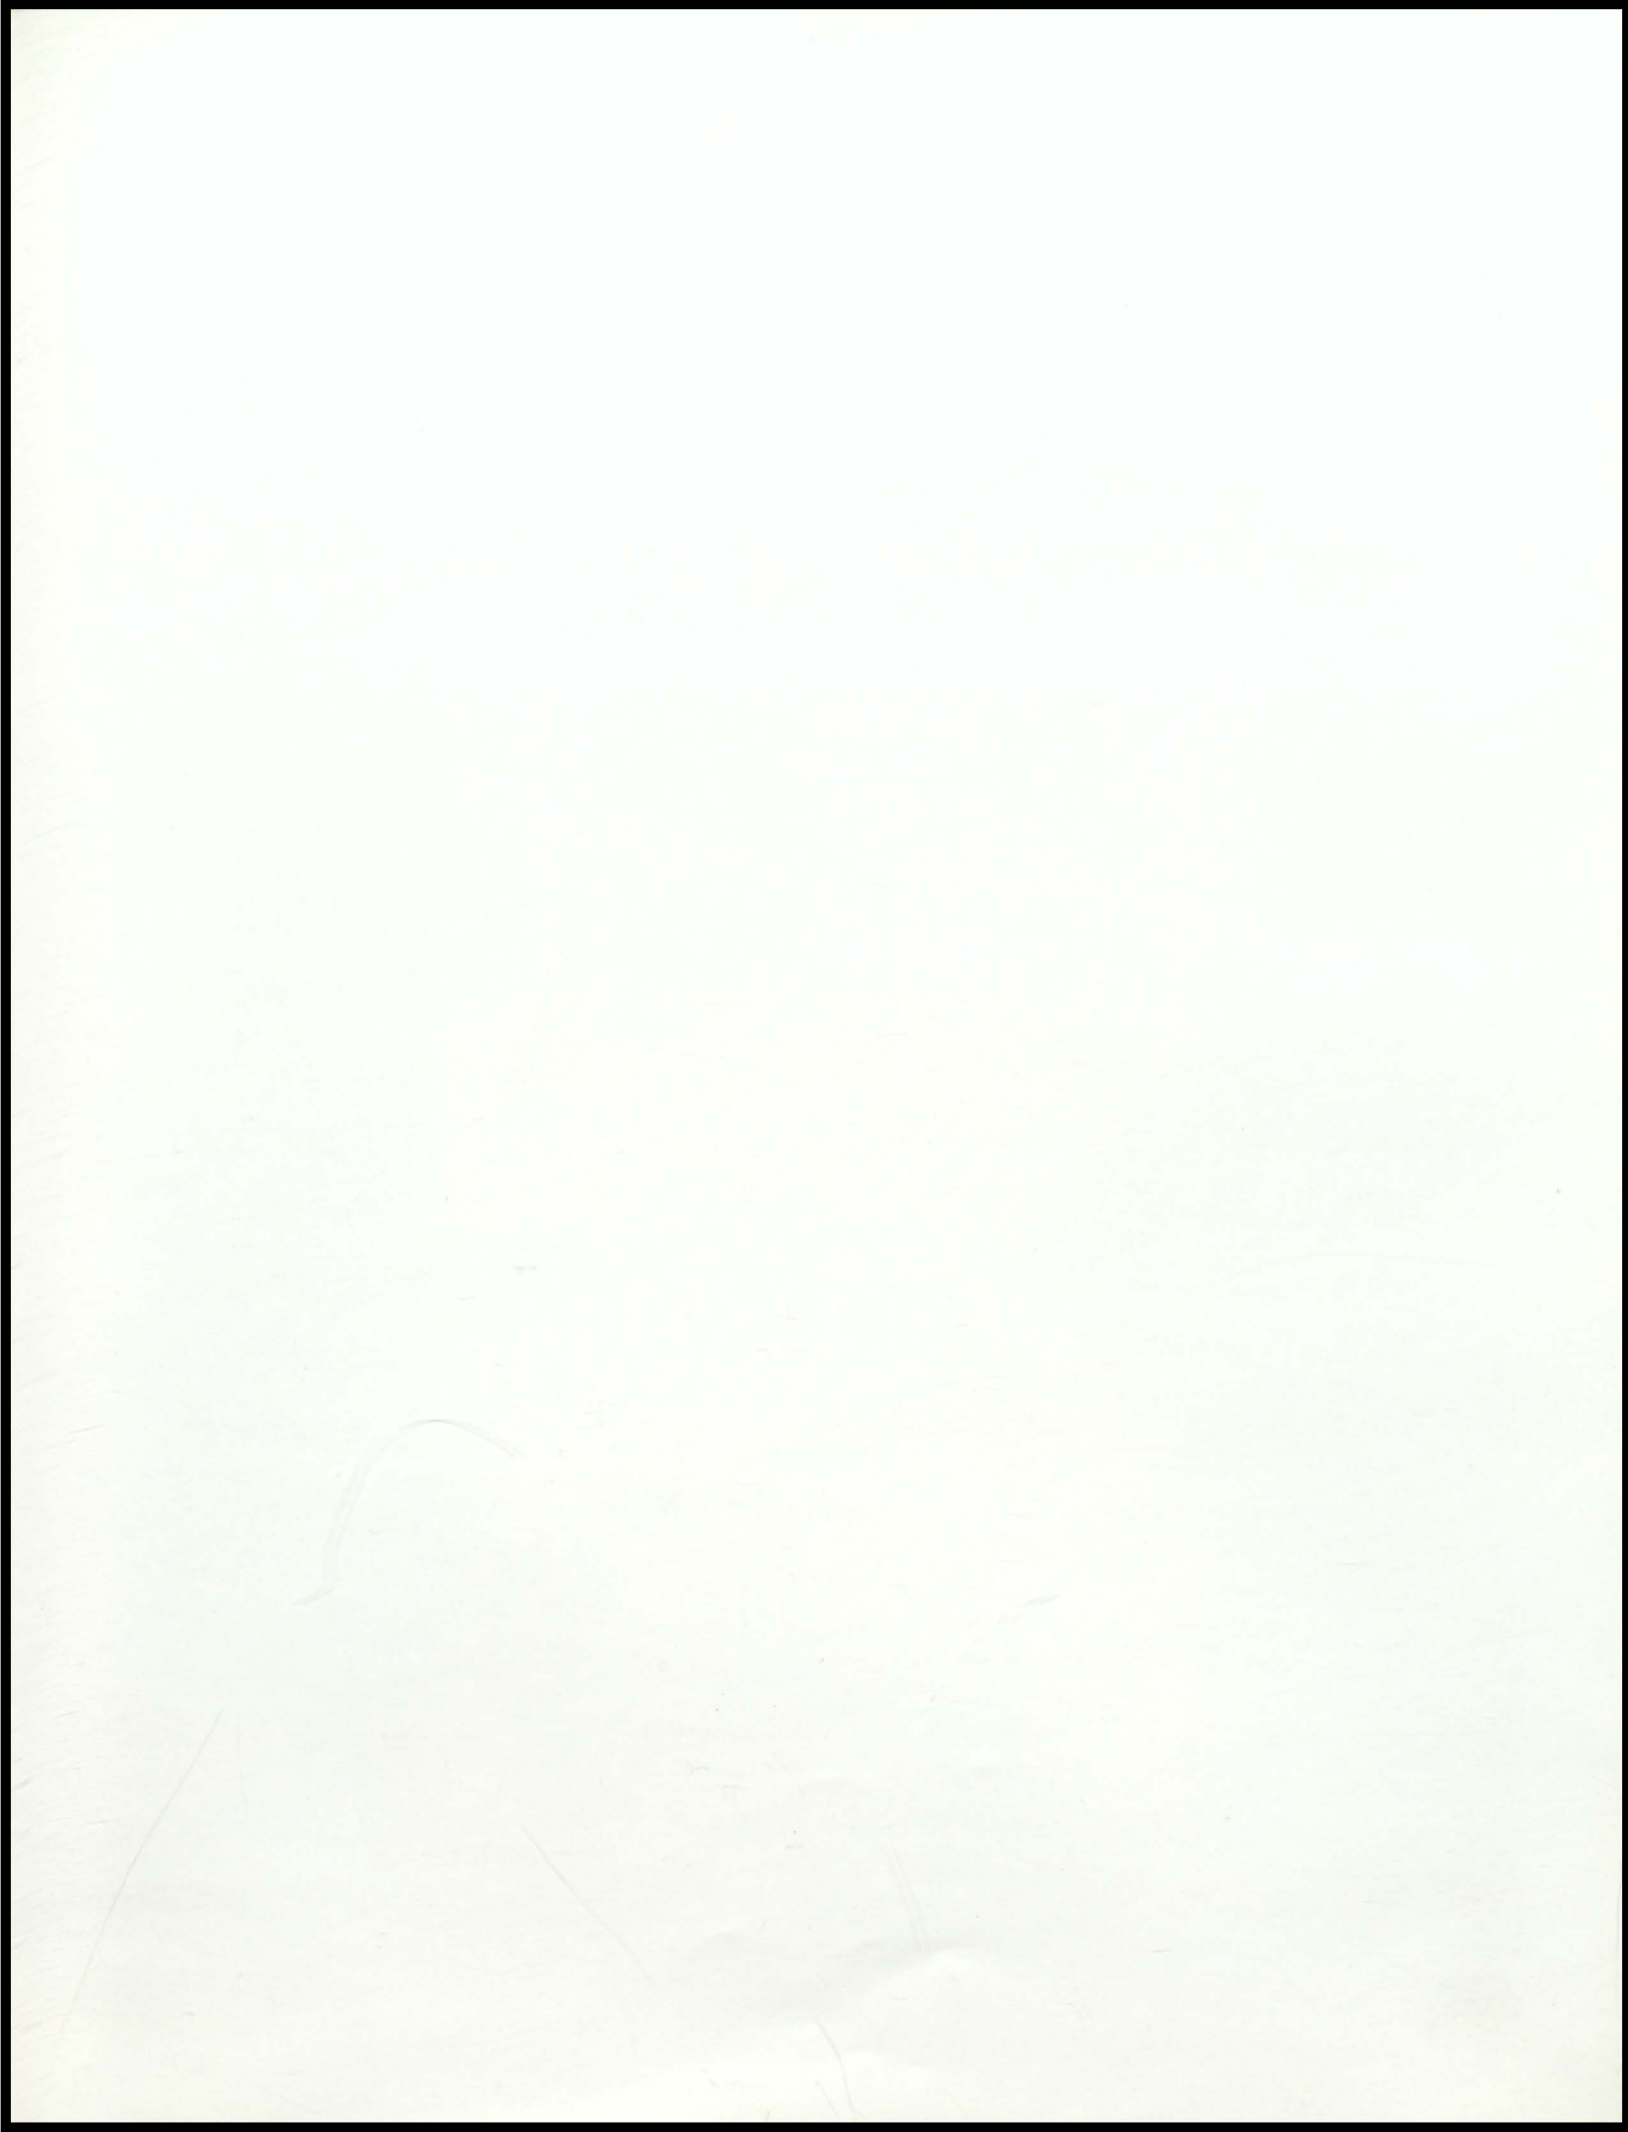

Congratulations to the class of 2013!

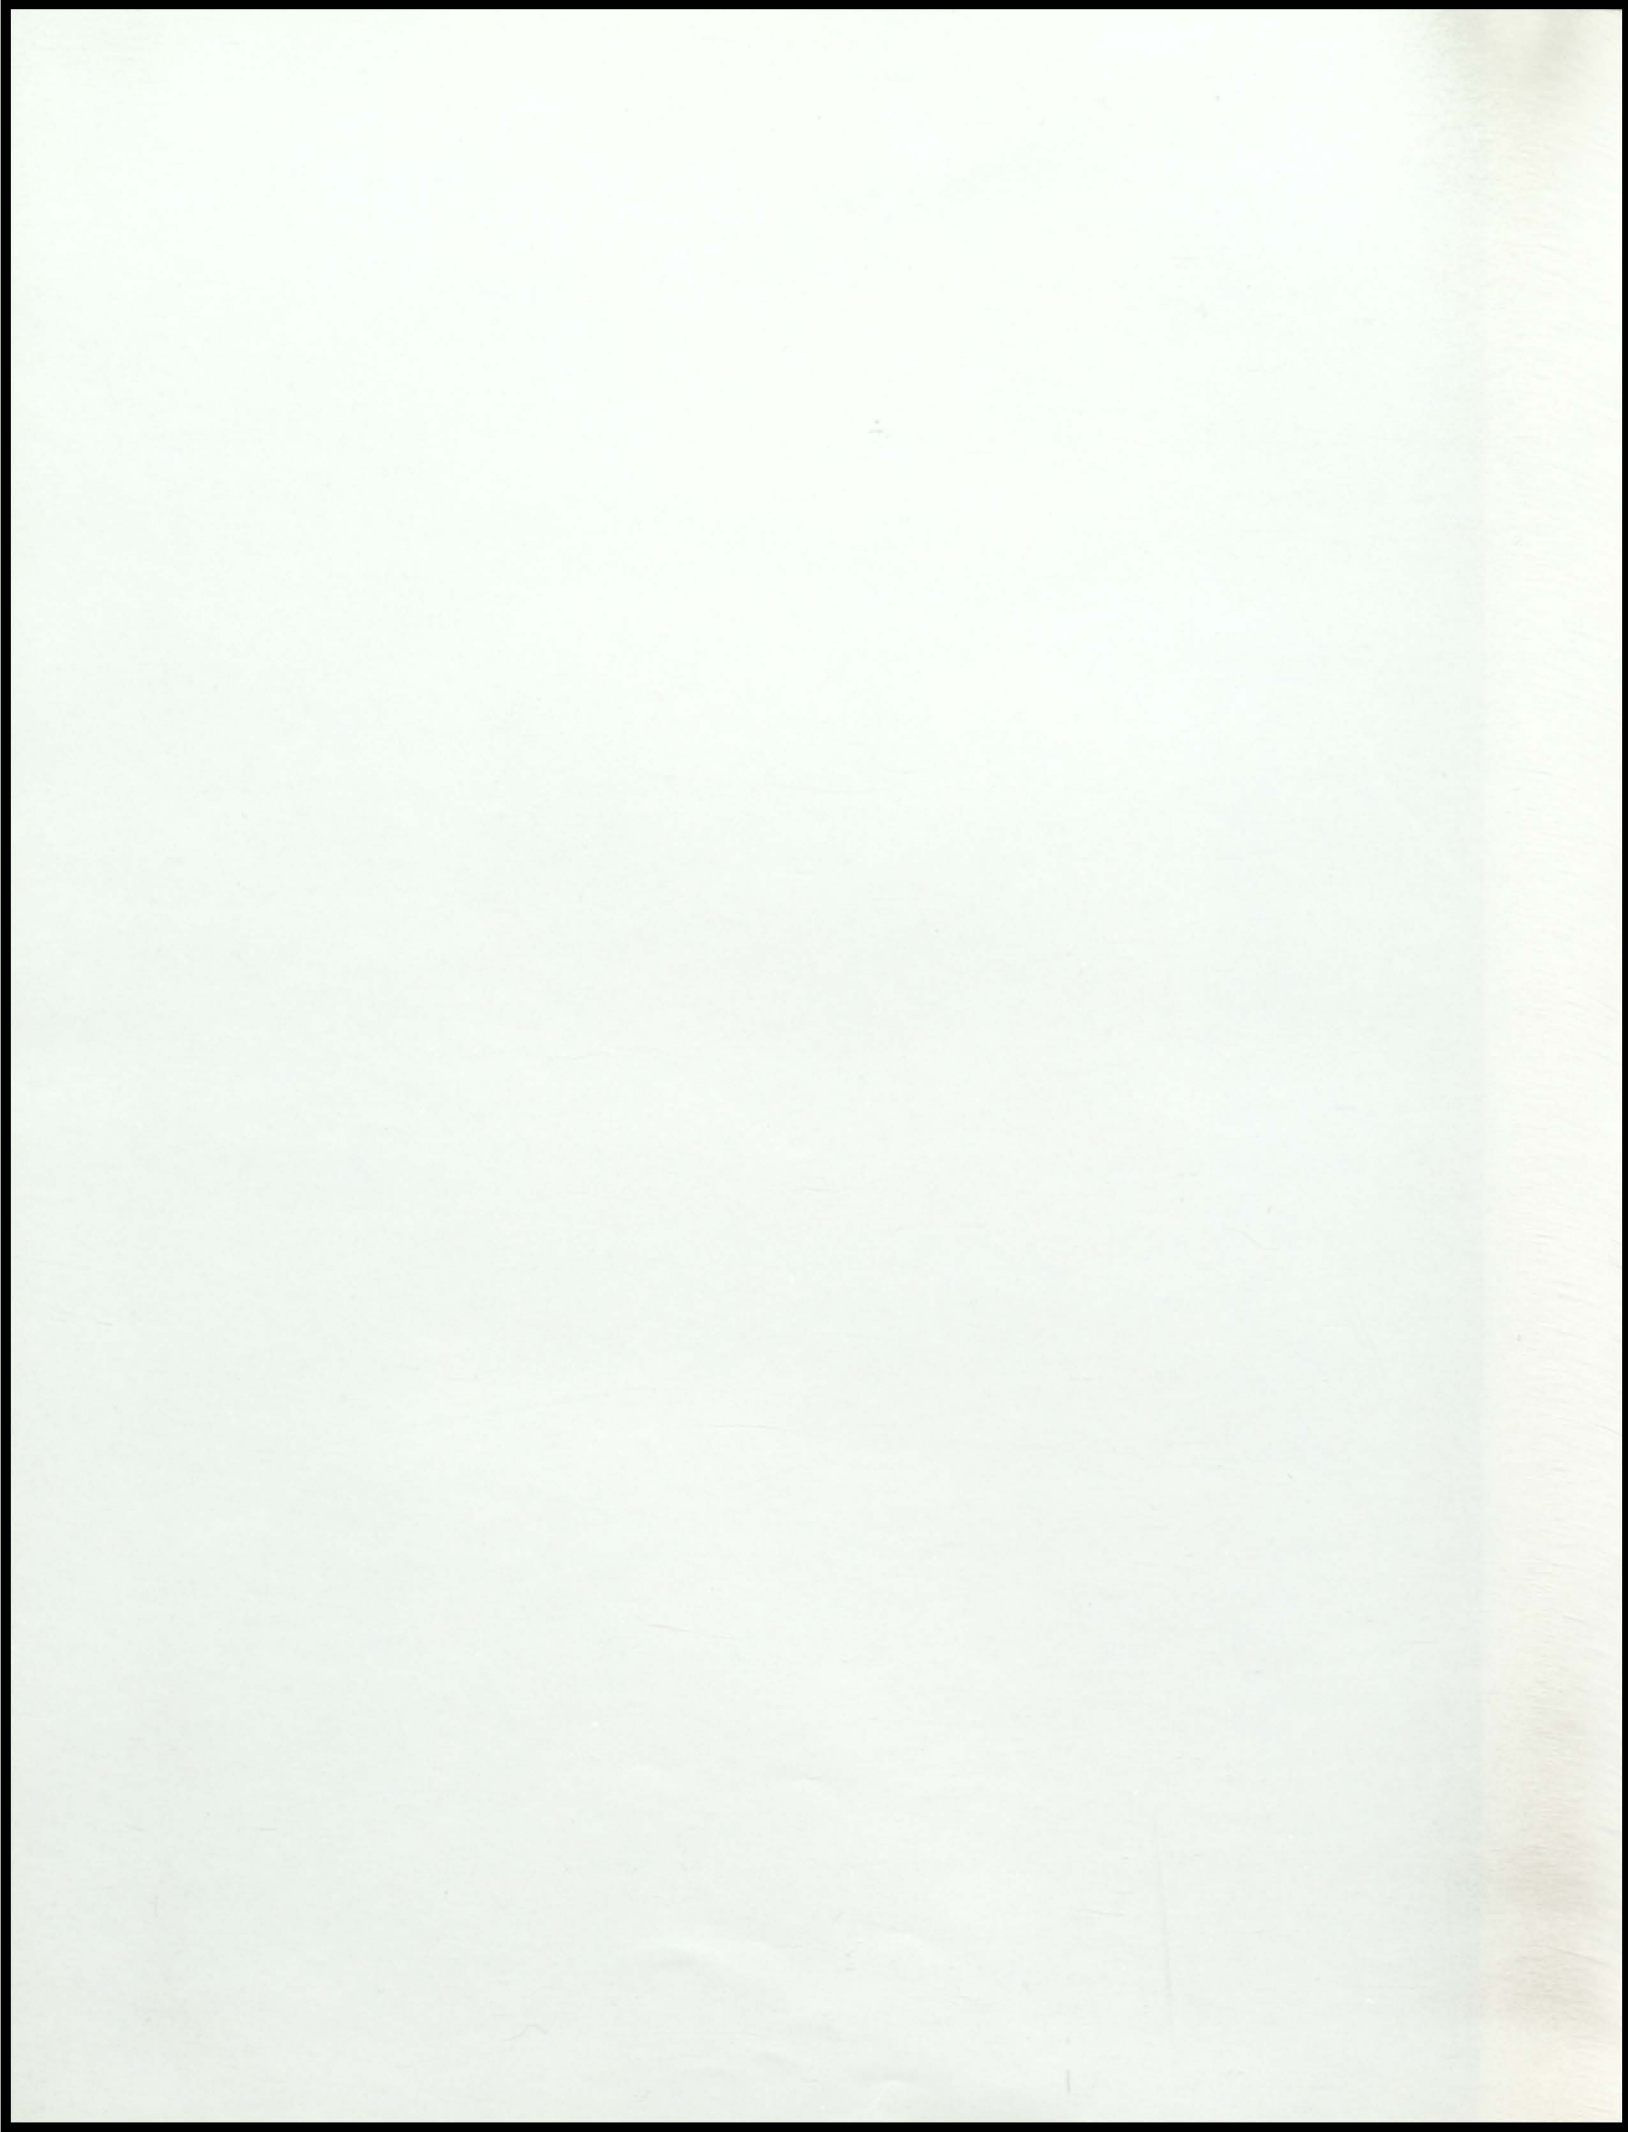

As they say "a picture is worth a thousand words" and in a yearbook it is worth much more than that. As I look at all the work that went into making this book special, I would like to thank those who helped make this possible. Thank you Hailey Abbott, the Senior Editor, for being the first to finish your pages and being a great help to me. Jennifer Seal, the Photo Editor, for taking the pictures that were needed for both yearbook and newspaper. Natalie McGuire and Maddy Jensen for doing their pages and also being a big part of the newspaper. Thank you so much Blake Jones for all your help with the ads and club pages! I owe a huge thanks to Krista Hughes for coming in over the summer to help finish the book! I also can't thank the new class consisting of Taylor Creech, Lexi Gray, Levi Garrison, Shelby Greene, Carley Cleek, Kiana Anderson, Haylee Frank, Shayla Hernandez, Kenzie Spangler, Alexis Llanas, Nicole Etchison, Raleigh Burchett, Gabby Abrams and Hailey Hamby enough. They came in and helped to pull together the last finishing touches! A special thanks to Mr. Sipe for giving me the opportunity to be the editor as a junior. It was such a blast and I enjoyed every minute of it.

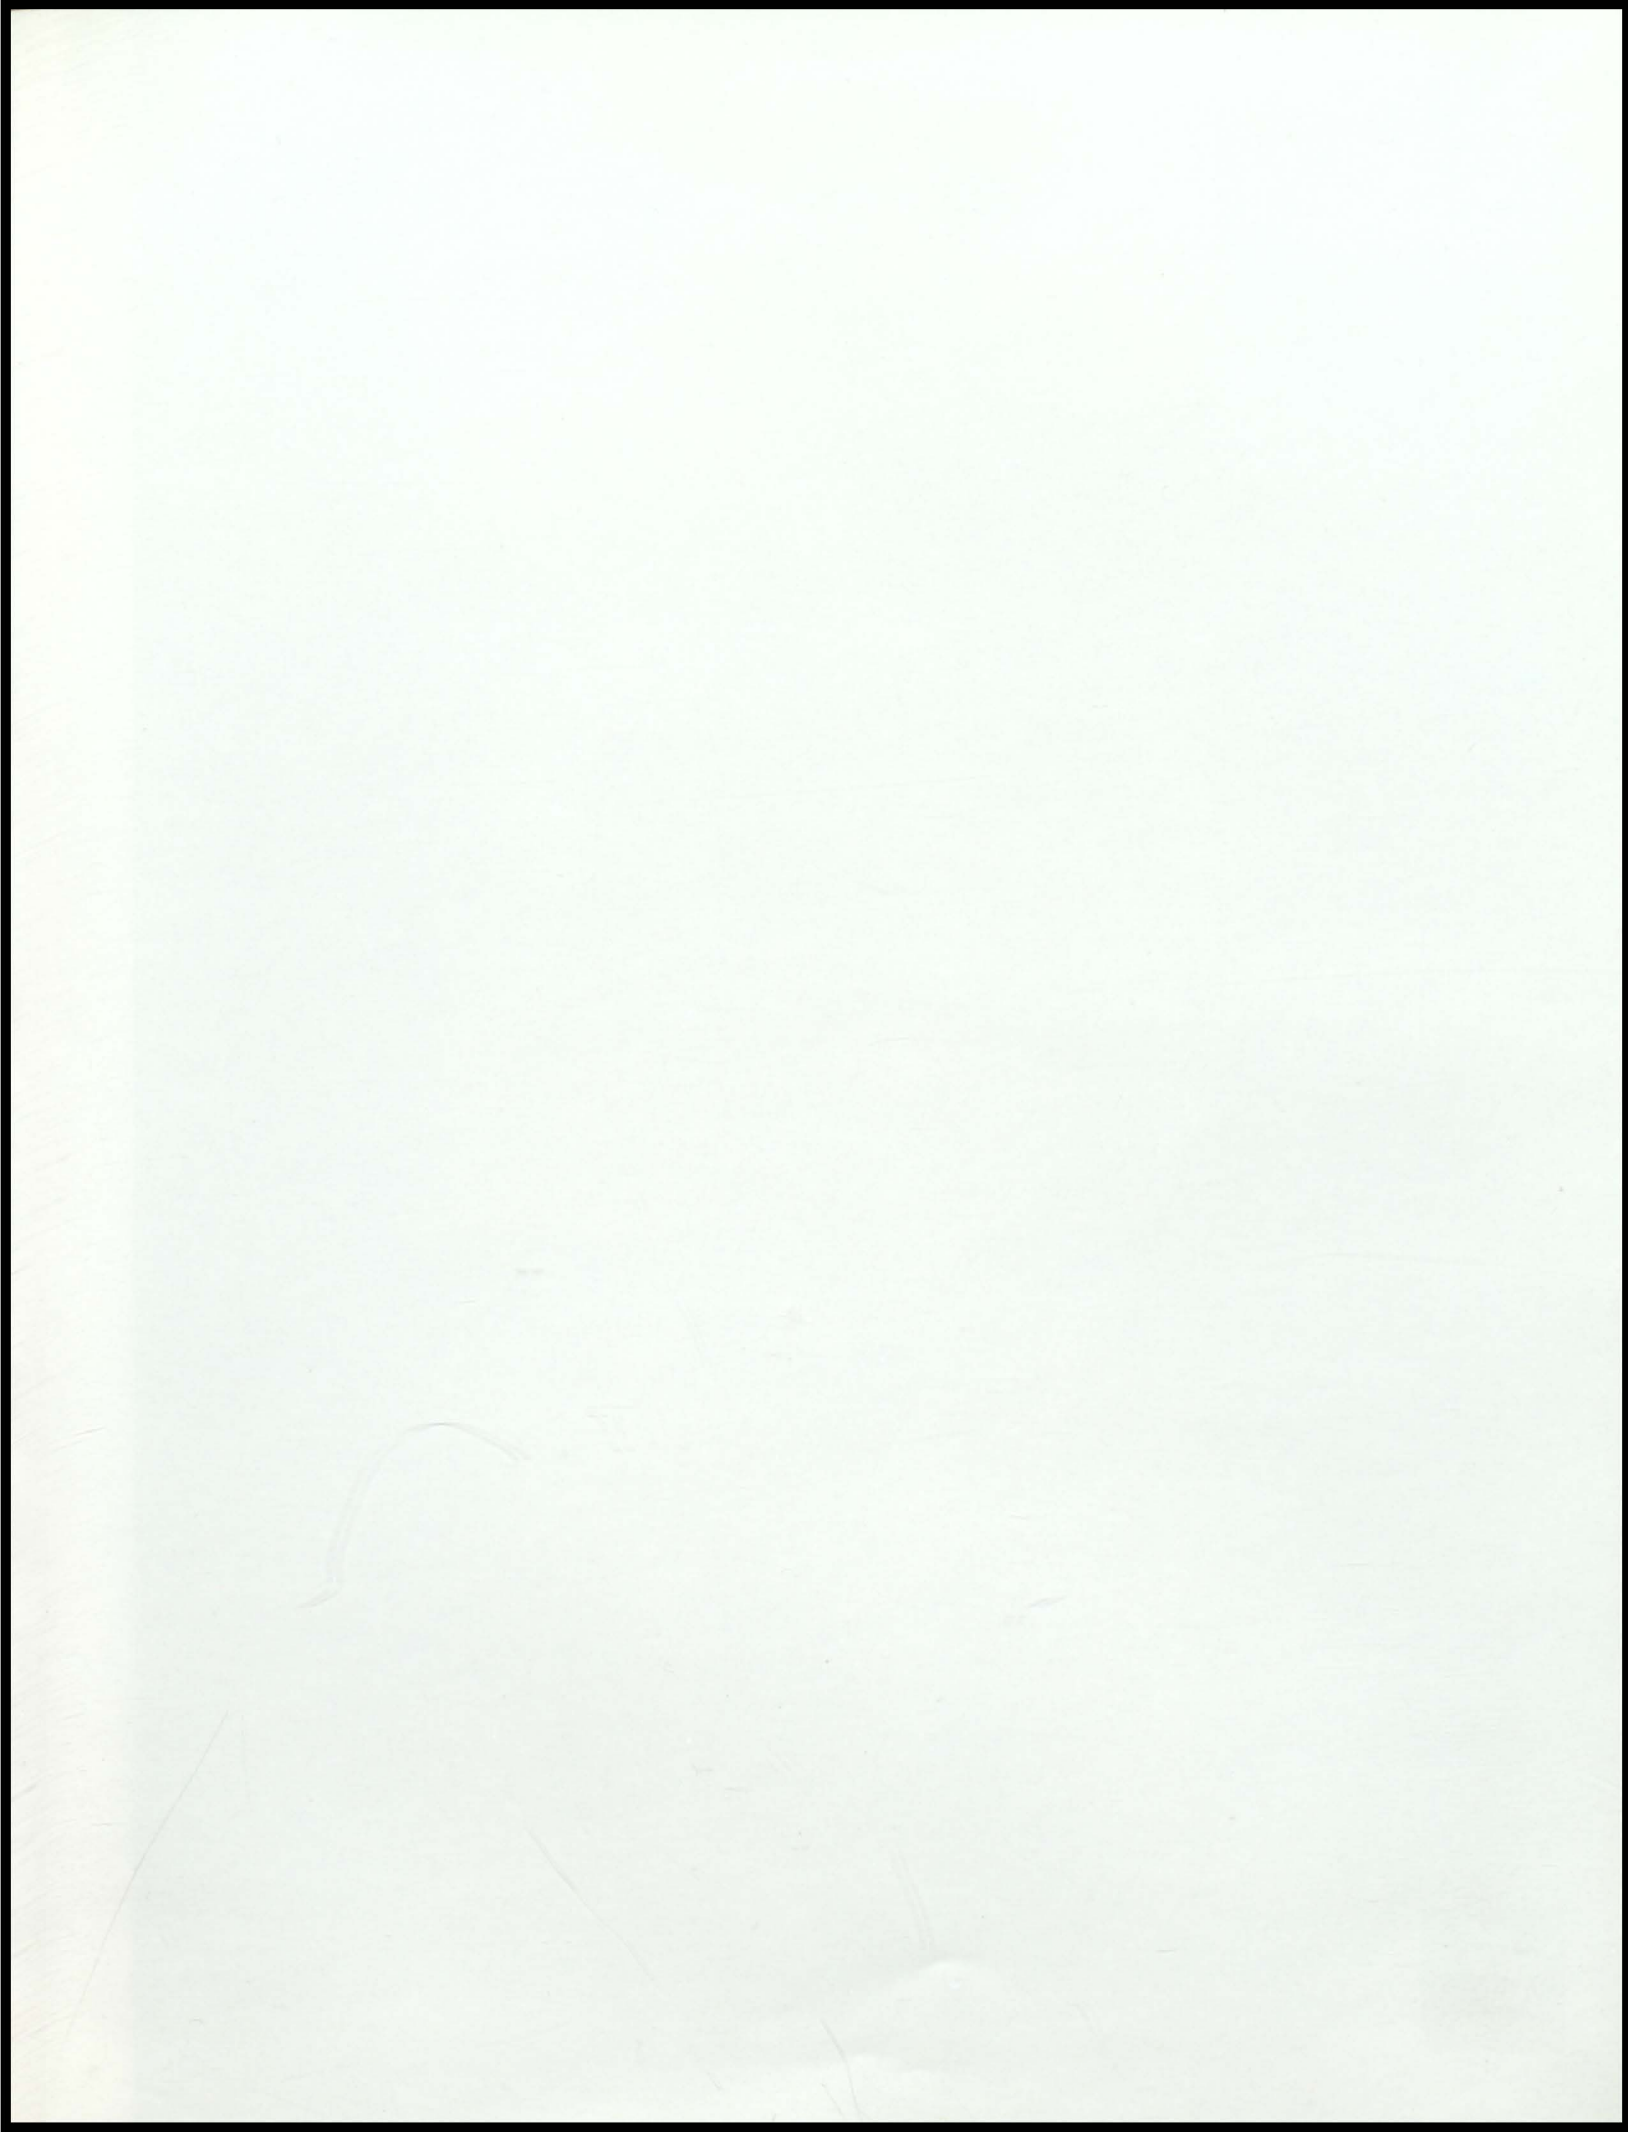

Love always,

Briana Turner
