My Home

By: Drew Ryan McGuire

Where have all the years gone
Recalling all the times they felt so long
Now the days pass like hours
Now I face what comes after
I don't want to say goodbye

As I walk ahead
I bend, but I do not break
As I find my way
I'll always remember these days
As our roads wind on, I won't forget my home

The photographs that scatter my mind
Remind me of the times I'll leave behind
But in my heart they'll never break
Engraved in time they'll never fade
Oh I'll miss these times I love

As I walk ahead
I bend, but I do not break
As I find my way
I'll always remember these days
As our roads wind on, I won't forget my home

Nothing could ever fade
I keep it all locked away
I'll never forget these days
Never forget my life,
My love, my home

Our Friends

High school is full of tears, drama, laughter, heartache, love, and friendships. We spend four years trying to figure out who we are and through all the chaos we finally begin to find ourselves. Most of us will agree that if it wasn't for our friends we would never be who we are today. The friendships that we make through high school help define who we are today. Our senior year has been a time for everyone to come together as one. Many of our cliques have faded and everyone has become friends. There comes a day when everyone just wakes up and realizes that this is our last year together, and we all want it to be the best! Your senior year should be spent making the most out of every moment and spending all the time possible with your friends. "We all take different paths in life, but no matter where we go, we take a little of each other everywhere."

Vice President, Alex Karel; Treasurer, Lauren Hendricks;
Secretary, Sami Green; President, Dylan Bott

Through all of high school there are always the teachers that impact us as an individual. There are also the teachers that grow up with our class and impact our class as a whole.

To many teachers, our class was an exceptional class.

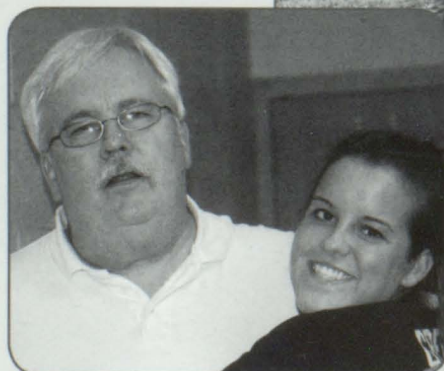

Mrs. Andis

"May you have the hindsight to know where you've been, the foresight to know where you are going, and the insight to know when you have gone too far!"

Mr. Sipe

"The class of '09 may be one of the last great classes for a while. I will remember their zest for life and yet their understanding of the educational process and respect for their elders."

Our Teachers

Mr. Cline

"The class of 2009 is my first class from freshman to seniors, and it is a class that I will always remember with great affection, even 30 years from now. This class has such an eclectic bunch of talent, and has probably taught me more than I have taught them. It has been an honor to have worked with each of them."

Mrs. Coryell

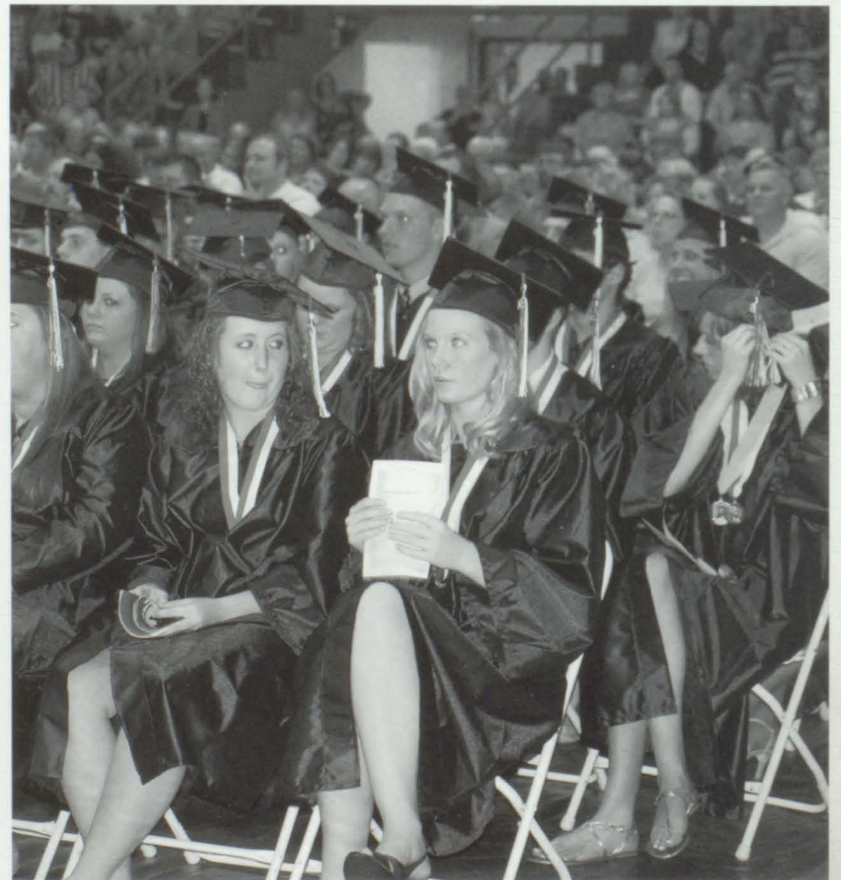

Since Katie is your classmate, I've been lucky to watch you all grow up--from kindergarten, through elementary school; ball games and birthday parties; and from little kid fun to grown up issues.

Many of you have asked, "Will you be sad to see us go?"

Yes! You are all like watching Katie go! But it is time and I am excited for all of you to experience what life has to offer. Much love and luck to my kids--the class of 2009.

The girls cheerleading squad was in a transition year as they started with two sponsors during the during football season and then were left with one when coach Misty Hovermale left shortly after football season was over. The girls learned to work with their new coach Janna Turner. There were cheerleading tryouts for basketball season so they would have a bigger squad for basketball season. There were three seniors; Paige Isaacs, Jenica Bodkin, and Brittany McCorkle. Paige Isaacs and Jenica Bodkin cheered for the squad all four years of high school.

Frankton Christian Church is a nondenominational church patterned after the church of the New Testament whose purpose is to serve Christ in this community. We believe Jesus called His church into being as a unified body. In order to promote this unity, we have determined to preach, teach, and live the gospel contained in the Bible.

Frankton Christian Church is known for its warm, friendly spirit and Biblical preaching. We invite you to be part of our fellowship, but more importantly, Jesus invites you to become a Christian. Let us introduce you to Him and to the joy of being a part of the family of God.

Letter From the Editor...

Well, Ourbook is finally done and it was quite a transition for every staff member, especially the adviser.

Ourbook, based on the website Facebook, was an appropriate theme to have this year as the Eaglite switched to an all online produced book. As it turned out, though, it was an unusual year to do so. Log-in problems, network problems and slow running internet slowed us down in ways it never did before we worked completely online.

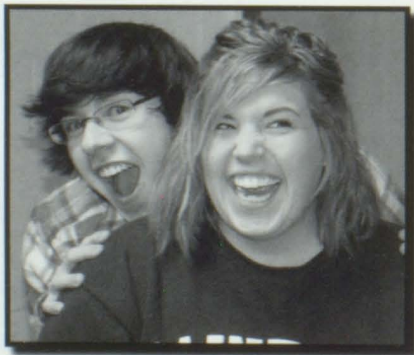

I mainly want to thank **Jessica Bodkin, Sami Green**, and **Abby Betz** for sacrificing time over the summer to come in and help me finish this off. I also want to thank **Heather Grinstead**, who worked to completely finish this book when the new school year started.

Lastly, I'd like to thank **Mr. Sipe** for all of his hard work, dedication, and the fact that he didn't give up on us through the rough times.

Love,

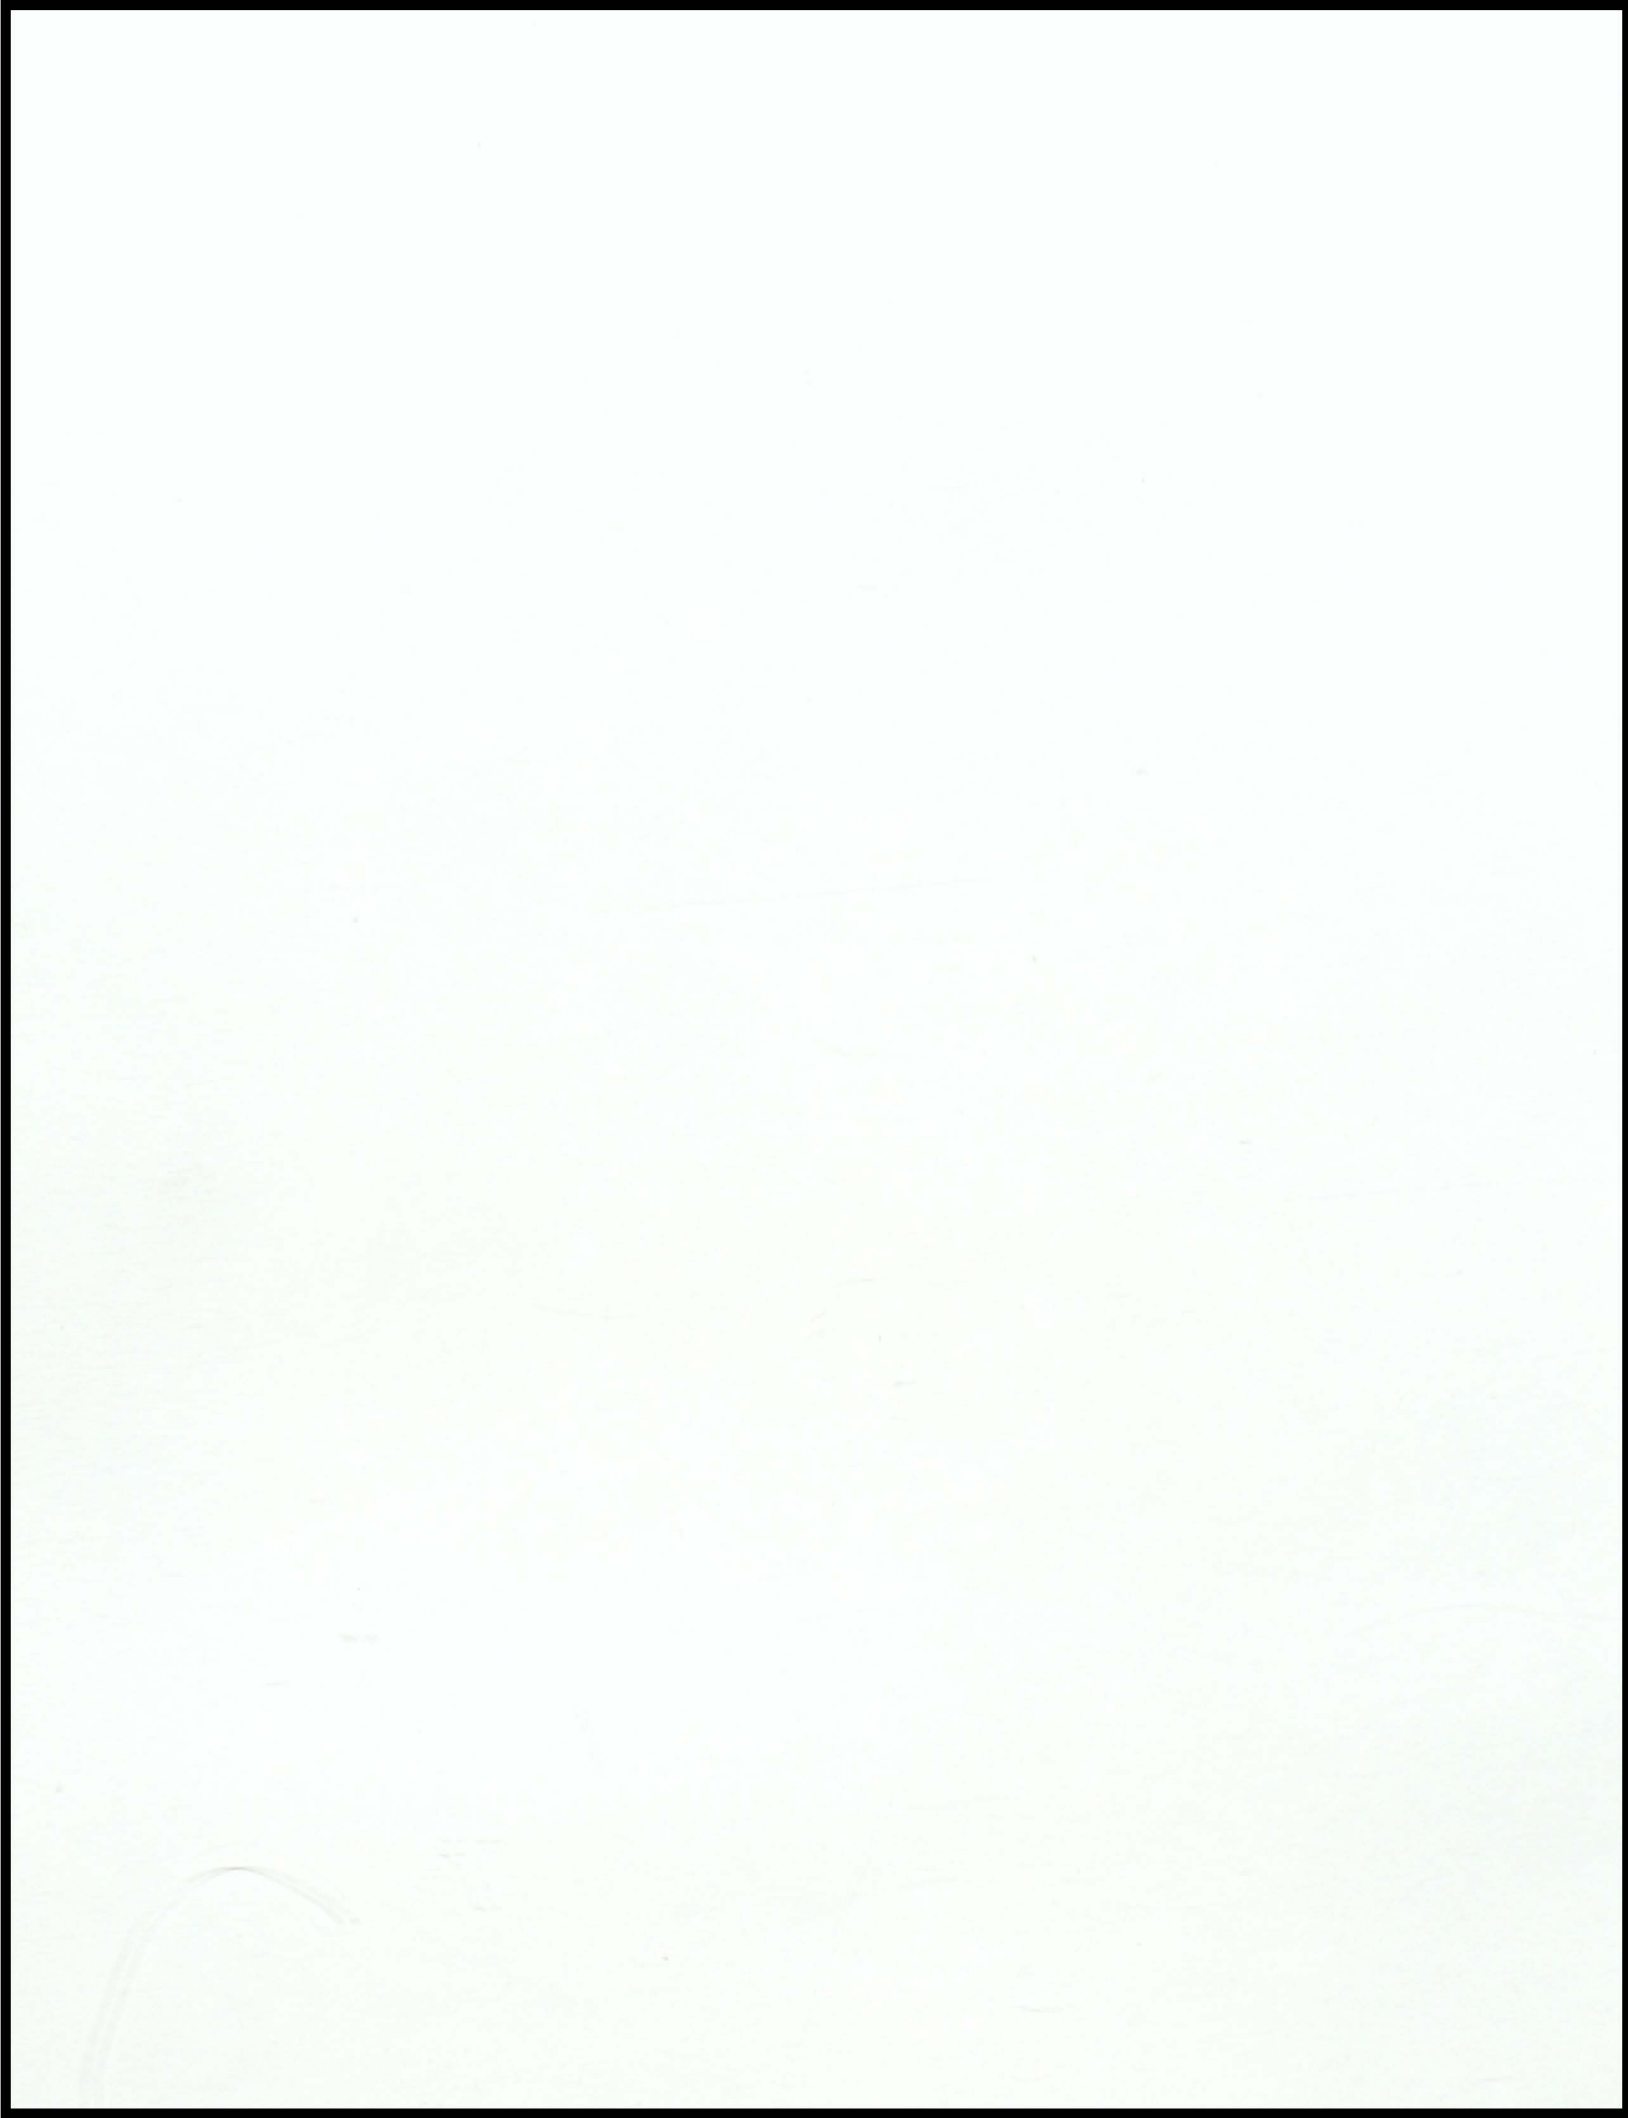

Katie
