1911-1912
M. J. ...
...

It's the biggest change this school has seen in decades.
It's the beginning of a new era at FHS.

Frankton Goes

What does that even mean?

One-to-one initiatives provide every student with a personal digital wireless device that includes up to-date software and access to the Internet at school (Penuel, 2006). Most of us have Chromebooks and a few have their own device.

What are the advantages of "1 to 1" ?

"Kids learn significantly better with technology because they have grown up with it. It allows immediate access to the web and Google Docs to work on their assignments. In the years to come, we hope to learn how to take full advantage of this privilege and adjust as a school corporation in a positive way." -**Superintendent, Bobby Fields**

"Students can learn at their own pace and stay organized with programs like Google Classroom." -**Jeff Robinson**

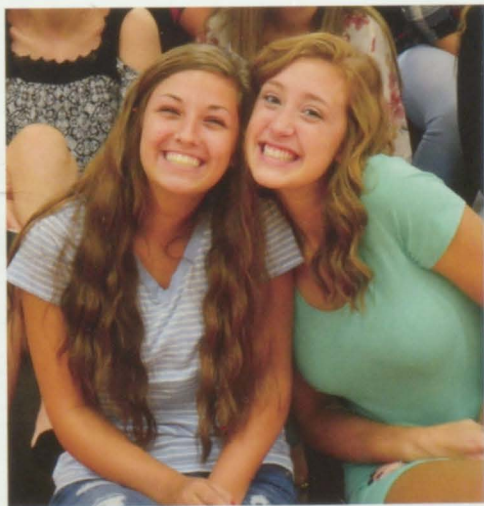

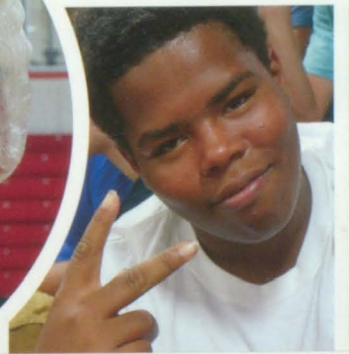

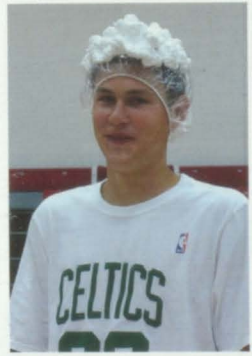

"Students have more options and ways to stay busy and work on homework." -**Don Reynolds**

"It is nice so I don't have to reserve a computer lab when we use a program called 'Flat' which allows students to write out music without a pen or paper." -**James Handshoe**

Frankton held three out of the six Conference traveling trophies this year that included: the Baseball Plate, the Belle, and the Horseshoe. We recieved both the Horseshoe and the Plate last 2015 season when both baseball and boys basketball went undefeated in the Conference. The Belle was won this girls basketball season when the girls team defeated Eastbrook.

 "Having a new coach, new players, and a new practice style has unified the team more than in past years and has also made us better players overall."

The entire student body and staff lined the hallways to cheer for Sophomore **Dru Berkebile** before he went to compete in the State wrestling tournament.

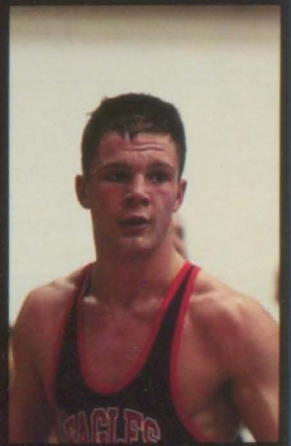

Cody Klettheimer made it all the way to Semi-State as a Freshman! The future looks bright for Cody.

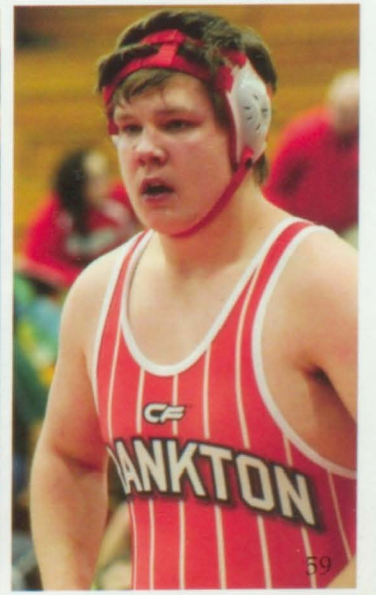

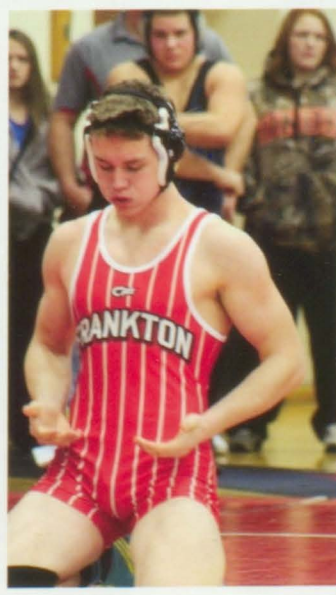

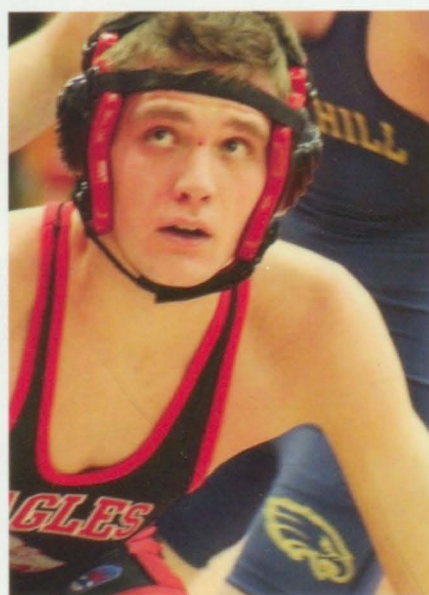

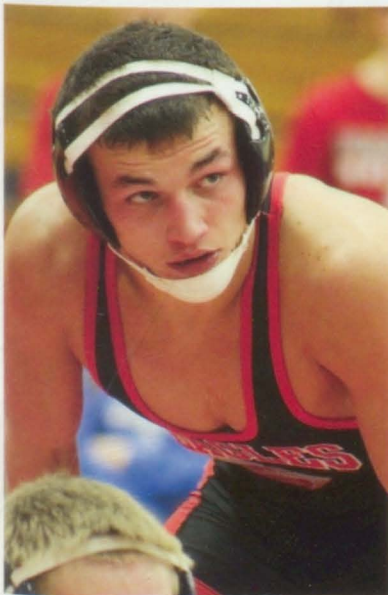

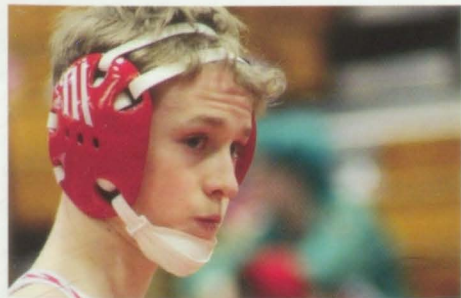

Dru Berkebile made it all the way to the State Finals this year as a sophomore! We will be watching closely next year as he continues to dominate this sport.

This was a great wrestling season! I loved all the time I got to spend with my wrestling brothers. Almost every great memory was with my buddies on the team including after weigh-ins, the bus rides, and a lot of time in practice. Then another great time this year was when I went to state. I had so much fun throughout the whole year and can't wait until next year."
