ACT I

Every dramatic production must of necessity have a director and a stage crew. Many times these workers are obscure, that is are working behind the scenes, but their work is very important. It is of this group we wish to speak.

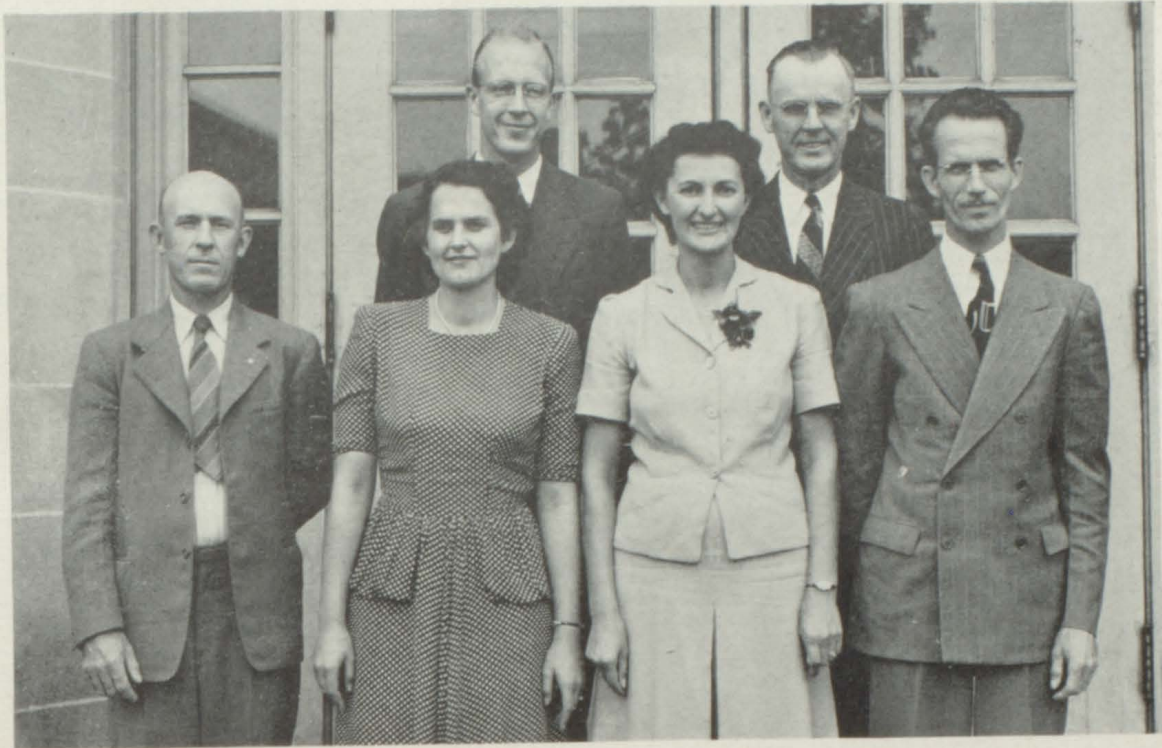

Without teachers to direct the production, "School Days at Frankton High," the entire production would fall short. A good director is one of the "musts" in dramatic work. He or she is as important as the drama itself.

Frankton Public School has been fortunate in being able to secure good teachers. Not only have they been able to secure good teachers but they have been fortunate in that many of them have remained for a number of years. At the present time we have seventeen full-time teachers, six of these are in the lower six grades and eleven in the upper six grades.

To those of you who are not familiar with our set-up we present —

CLASSES

What would school be without classes? The twelve classes make up the enrollment of our student body. The following pages are devoted to the various classes, their pictures, officers, and are intended to give you a glimpse of the activities they perform.

We see the students filing in each morning bright and fresh, returning home in the evening tired and hungry. We see this scene repeated day after day with the bright hair-ribbons and short trousers of the lower grades, to the lipstick and crew cuts of the upper grades.

As we look back over our school years we remember the new members whose names were added to our class roll, and at the same time recall those who have left us as we proceed along the line. When you look upon these pictures a few years hence, you too will find this same change. In this act of the drama you will see officers of the upper classes, the instructors of the lower classes, and pictures of each class in school. We hope these pictures and accounts of class activities will help you remember your school classmates and friends. They are printed on the following pages for that purpose and for your enjoyment. This is an important episode in the drama of our school life.

CLASSES ...

SENIORS' OFFICERS

The Class of nineteen hundred forty-six began their schooling under the direction of Miss Miriam Cox. The first year we had an enrollment of thirty. The second year we were directed by Mrs. Hartley; third, Miss Adams; fourth, Miss Thomas; fifth, Mrs. Morris; and sixth by Mrs. Wright. We chose our class colors, brown and white; our motto, "keep climbing"; and our class flower, white carnation. As freshmen we had a total enrollment of forty-five. Our sophomore year was the last year Mr. Helfrich was our sponsor and our new sponsor was Mr. Nash. Our senior year arrived with thirty-two members, eight of these having been enrolled in this class throughout our twelve years of school. The motto we used most frequently was "New York or Bust". The curtain will soon close and our class will be history. We truly have enjoyed our work here and love our F. H. S.

Features

In our small school we have a few activities of which we are immensely proud. In the following pages you will become acquainted with them. During the past few years the number of these activities have increased greatly, for example the Girls Athletic Association, Talon Club, Dramatic Club, and other private class clubs which are not mentioned in this book. The clubs are organized to provide more wholesome and profitable entertainment for the students. These activities have been brought about through the efforts of industrious students and interested faculty members.

Mr. Nash has offered a new course which is the Dramatics Club. This club is formed by a few select senior pupils for the purpose of enacting plays which are more professional.

The coach has organized the Talon Club for the basketball boys, to help them become better citizens plus enabling them to have more fun.

Mr. Miller and Mrs. Dadds have made our lunch hour more recreational by having rival teams competing in basketball, kick ball and other sports. Each day is set aside on a schedule for either boys' teams or girls' teams to participate.

Our 4-H Clubs, which are directed by the Agricultural teacher and the Home Economics teacher, has enlarged to be an extremely popular activity. Many of the girls and boys have belonged so long they have become junior leaders.

Our library has received several current books and is hoping to enlarge. It is under the direction of Miss Alspaugh, with several students helping when she has classes.

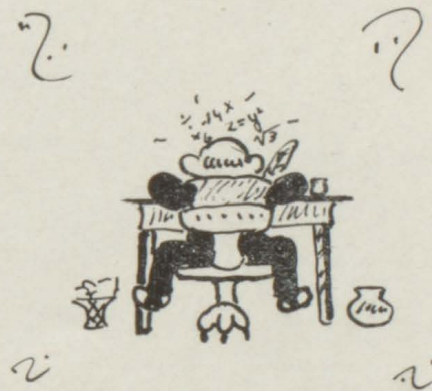

We know that under the management of the Dramatics Club our provisions for theatrical events will soon increase, enabling the students to put on better plays. We sincerely hope that in the near future our recreational facilities will increase greatly.

ACT III

CAFETERIA LINE

In 1943 our school realized the need for hot lunches to supply the needs of our children. Many times the lack of time and appetite keep a child from eating a good breakfast, while many things made it hard to send a tasty, appealing cold lunch. Mental exertion in studying uses as much vitality as physical labor and a well balanced lunch is needed. The noonday rush of our students towards the lunch room and improved marks on the report cards is the answer to the way the children like hot lunches. On Christmas and Thanksgiving appropriate menus are served and many more children take advantage of hot lunches.

BETWEEN CLASSES

If you are caught in the jam in the hall between classes you will catch the spirit of this picture. It is just as you might imagine. Locker doors are slamming, pencils are being sharpened, the drinking fountain line holding up traffic, and of course dates in the making for that next ball game, party or other school function. You would also find members of the faculty gathering here and there to compare notes and exchange laughs. The picture would hardly be complete though without the love-birds who insist on sitting in the assembly together (either making love or sparring) until exactly one-half minute before the bell, and then making one grand dash, and tearing through the classroom like a cyclone. We don't want to give you a wrong impression, though. There are students who report to class, are in their seat when the bell rings, and do this in an orderly manner, but of course it takes all kinds of people to make up the successful drama of school life.

REASONS FOR HAVING A FRAN-HI-AN

As the class of '46 started planning on having a yearbook, we decided we wanted our yearbook to have as many good points about it as we could possibly make it have. Some of the points we wanted to consider were, first of all, we wanted it to be more than a memory book, more than a vehicle for obtaining autographs. It was to be a record, a record to be treasured for its lasting value to both the individual and the community. We planned on having every student's picture in the book, by including group pictures of organizations, carefully selected school life, and underclass portrait sections. The Fran-Hi-An was to contain a complete record of year's activities—which we named in the calendar. Twenty years from now subscribers will want to recapture those wonderful school days as they thumb through the 1946 Fran-Hi-An. They will treasure it all the more if it can transport them back through the years to Prof. Twiford's Latin Class, to the basketball games we won and lost to the many other events that were of importance to us. We wanted our yearbook to be of importance to the community at large, too, because a successful yearbook is the record of the school year, and as such it becomes the important part of the history of any community. The very fact that the yearbook as a record is of lasting value to the individual and to the community, made the matter of accuracy doubly important.

So we have brought you the Fran-Hi-An.

F. H. S. GLEE CLUB

The Glee Club, under the direction of Mrs. Parker, is the largest that it has been for several years. Membership includes:

Front row, left to right—N. Dwiggin, J. Goacher, H. Brunt, O. Tranbarger, W. Braddick, B. Ellingwood, E. Merriman, M. Etchison, M. McCord.

Second row—R. Barnes, M. Thomas, Z. Creamer, B. Lee, J. Duckworth, E. Hook, C. Dalton, J. Trissel, M. Barnes.

Third row—B. Hosier, J. Harper, E. Thomas, Jr., D. Cox, D. Fetty, G. Sprague, D. Neese, J. Hosier.

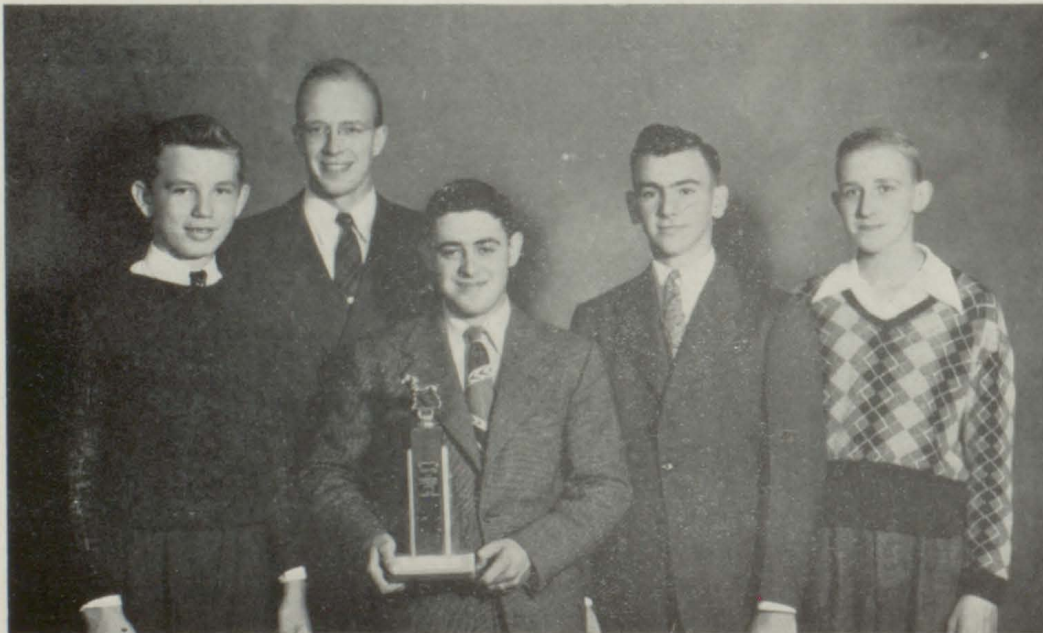

Fourth row—V. Stiener, B. Norris, Mrs. Parker, B. Hawkins, L. Hughes, A. Miller.

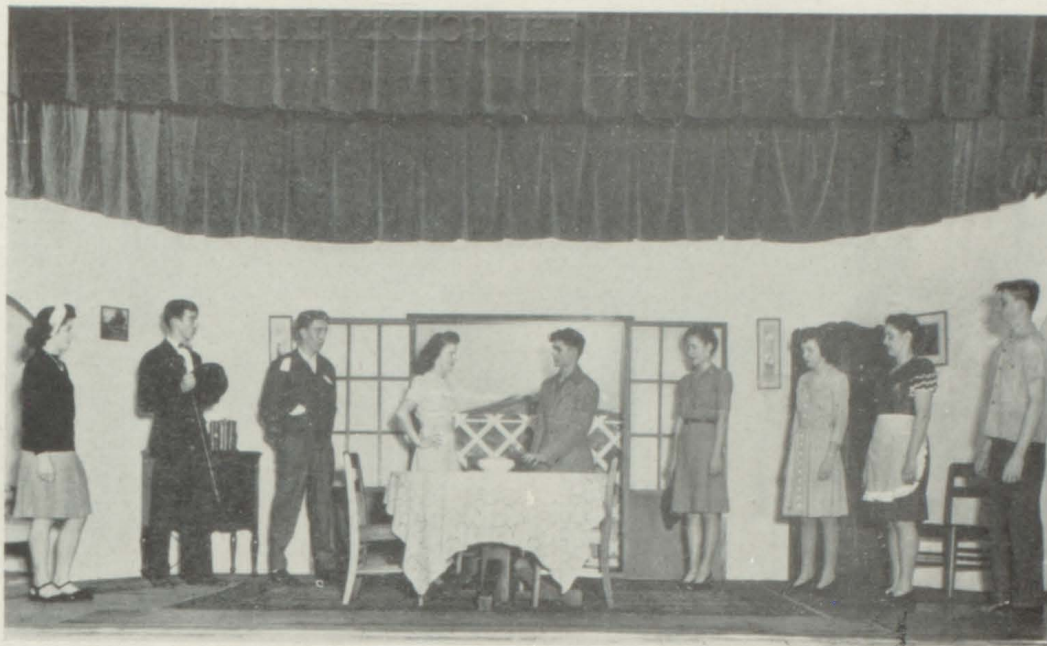

Fifth row—G. Frank, C. Etchison, P. Sprague.

JUDGING TEAM

One of the highlights in the agriculture classes in F. H. S., was the preparation of a livestock judging team.

From the middle part of May to October 10 was spent practicing judging the livestock of various co-operative farmers of the community. October 12, 1945 the team composed of Vincent Norris (43), Maurice Etchison, Jack McPhearson, John Jager, and Mr. Marvel left for Purdue to judge at the state contest.

JUNIOR CLASS PLAY

Two successful productions of "Cyclone Sally," a three-act comedy, were presented by the Junior class under the direction of Mr. Nash. The first was November 16 and the second December 11. The cast follows:

Effie Varden—A cute little neighbor.....	Clara Mae Moyer
Jennie Thatcher—The object of Jim's many years' persistence.....	Joanne Foust
Jim Jerkins—Courtied for twenty years and not discouraged.....	John Usfo
Ruth Thatcher—A peach Reggie would like to pick.....	Harriett Wright
Jack Webster—Owner of the Webster Estate.....	Harold Trick
Reggie Manner—An Englishman, an adept at picking peaches.....	Joe Sprague
Sally Graham—"Cyclone Sally".....	Shelba Shaw
Vivian Vernon—The belle of Cedar Point.....	Doris Etchison
Willie Clump—Sue Bascom's beau.....	Jimmy Frank

DRAMATIC CLUB

The Dramatic Club was organized in 1945 under the direction of Mr. Nash. This organization consisted of 12 members selected from the graduating class, who were interested in play production.

The 1946 organization was completed early in the second semester with Carrel Jones serving as president, Virginia Cook, vice-president, and Kathleen Wilburn, secretary-treasurer.

Activities of the club in 1946 include the presentation of three one-act plays on Friday, February 8, and a three act play, "The Girl from Missouri," on March 15.

Members in the club include: Marilyn Bowers, Gerald Closser, Virginia Cook, Betty Daniels, Maurice Etchison, Jack Hosier, Carrel Jones, Norma Lee, Allen McCord, Bill Presser, Fern Thomas, and Kathleen Wilburn.

THE GOLDEN EAGLE

The Golden Eagle is one of the landmarks around F. H. S. The paper, a mimeographed product, is published bi-weekly by the student body.

This year, for the first time, the paper is published through the combined efforts of the commercial department, which takes care of the business and mechanical details and the advanced class in English which edits the news, prepares the copy and makes the dummy. After a few issues of experimental copy things are running smoothly and the paper is reaching the public in the best of condition.

THE FRAN-HI-AN

The Fran-hi-an was a project of the senior class under the direction of the class sponsor, Mr. Nash.

The staff was composed largely of members of the senior class but members from the junior class were selected for positions of assistant editor and business manager to give them experience if they should choose to publish a similar volume next year.

Only those who worked at the helm can appreciate the work that is involved. The finished product is the only reward. Many times members of the staff were heard to say "never again."

To on-coming staffs we would say, "get the whole hearted cooperation of faculty and students and a wide awake staff and you cannot fail!"

JUNIOR HIGH BASKETBALL

The Junior High basketball squad for 1945-46, under the direction of R. E. Lee, consisted of sixth, seventh and eighth grade students. Nine of the players were from the eighth grade, six from the seventh and three from the sixth grade.

The eighth grade boys were: Carol Benson, Robert Morgan, Dallas Etchison, Robert Ellis, Ralph Holder, Glenn Cole, Richard Wise, Gilbert Granger, and Dallas Hays. The Seventh grade boys were: George Parker, Jack Feight, Rex Etchison, Joe McPhearson, Ralph Waymire and Paul Merriman. The sixth grade boys were: Eddie Jordan, Donnie Waymire and Robert Adams.

Our season has not been filled with "pomp and glory" as we lost most of our games. Sickness and injuries were our greatest handicap. Robert Ellis suffered a broken collar bone in the Leach game just before we had our picture taken and was unable to be with us. The squad surely did miss Bob while he was away. However, Ellis did get back in time to be in the Frankton Junior High Tourney and help his team play one of their most thrilling games of the season when they edged out Cunningham by a score of 19 to 18. Although we did not win the tourney, being defeated by Orestes in the finals, we were thrilled to pieces when Bobby Morgan's name was called for the winner of the Sportsmanship Medal!

The years spent playing basketball on the Junior High School team are the stepping stones which lead to the High School varsity team.

Those in the photograph are: Back row left to right, D. Waymire, G. Parker, R. Etchison, D. Etchison, G. Cole, R. Adams, J. Feight, J. McPhearson. Second row, C. Benson, E. Jordon, R. Wise, R. Morgan, R. Holder, C. Waymire, G. Granger. Front row, P. Merriman, D. Jones, D. Hays. Mr. R. E. Lee, coach and R. Ellis were not photographed.

SOFTBALL

Frankton started the softball season off with a bang defeating Fishers by a score of 2 to 0. Bill Shepard, Frankton's mound ace allowed Fishers only one hit during the entire game. The scoring honors go to Trick and Usfo.

In the second game of the season Coach Miller's Eagles defeated the Walnut Wolves 8 to 3 at the local diamond. In the first inning Frank got a hit and scored. Trick hit but was put out. Castor, third batter, got a hit and scored, then Shepard scored, making the score 3 to 2. In the third and fourth inning Frankton scored 1 run and in the fifth inning scored 3 runs. In the last inning Walnut got 1 run, making the score 8 to 3.

The Frankton Eagles again defeated Fishers in the third game of the season, 11 to 3.

There were only 3 errors made in this game and Shepard pitched a 6 hit game.

Miller of Walnut Grove pitched a beautiful game as he led his team to victory. Walnut gained a lead early in the game which the Eagles could not combat. The only players who scored were Shepard and Trick. The final score was 6 to 2.
