

EDITOR'S MEMO:

I'd like to sincerely thank Mr. Hanna and the Faculty for their co-operation in producing this book. Also, my gratitude to Reid's Studio, Muncie, and E. E. Brobst, Alexandria, who were helpful to the photo department.

Naturally my parents deserve the heartiest thanks of all. Their understanding and support will always mean a great deal to me. And, of course, I would like to thank my staff for doing such a fine job.
