

## North Madison County Hotspot Lending Policy

The North Madison County Public Library System circulates hotspots for patrons needing Internet access for a limited period of time. The intention of the hotspot lending program is to provide access for patrons who are experiencing outages, needing to complete a project assignment, or going to a location where the Internet is not freely available. The hotspot lending program is not intended to provide a subsidy for continual Internet access for any one household.

To insure the availability of hotspots, the following parameters have been adopted.

Library hotspots are loaned to patrons within the following parameters:

- You must be a cardholding member of the North Madison County Public Library System.
- Hotspots may be checked out by any patron with an account clear of fines and fees.
- Hotspots may be checked out for seven days.
- Hotspots may be placed on hold.
- Hotspots may be renewed one time, provided there are no holds.
- Overdue hotspots will be deactivated by library staff.
- Borrowing privileges will be suspended for six months for patrons who have three overdue hotspot charges on their account. Patrons will be contacted by library staff once they have two overdue hotspots. If hotspot borrowing privileges are lost, the patron will be notified in writing.
- A fine will be charged for hotspots returned in the book drop.
- Hotspots must be returned with the hotspot, charger, instruction card, and case. Items returned with missing parts will incur charges, according to the schedule below.
- Holds may not be placed when a hotspot is currently checked out to any individual in the same household.
